Every journey has the power to transport us — physically, emotionally, intellectually. At each turn, we've designed something — an evening of unexpected entertainment, an unforgettable meal, an exclusive excursion ashore — to inspire awe and amazement. We strive to create opportunities to satisfy your deep curiosities, awaken new passions, and foster the spirit of adventure that makes travel so rewarding.

FEEL TRANSPORTED

An expanse of open ocean awaits on your private terrace each morning, as the sun warms your skin and the salt breeze stirs your soul. The yacht experience is energizing yet relaxed, seamlessly weaving moments of serene repose and blissful indulgence into a journey of discovery.

FEEL AT EASE

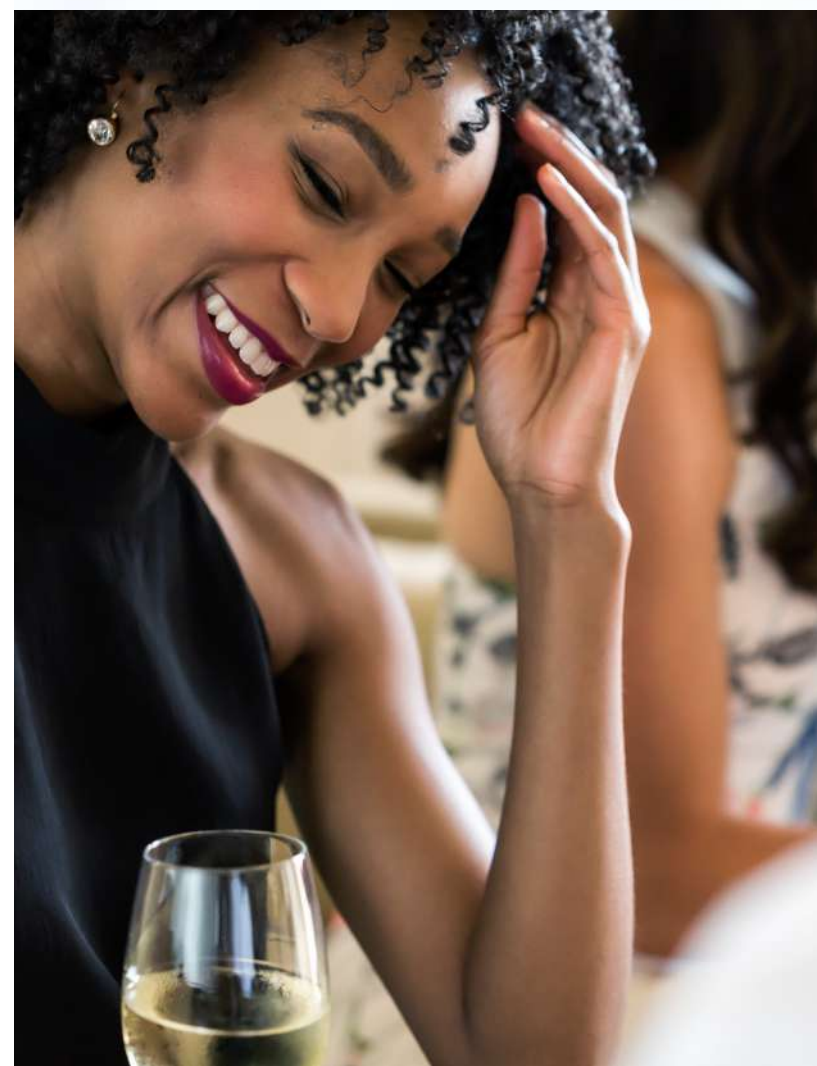

Find peace of mind on board, knowing that every detail of your surroundings has been considered. With one of the highest ratios of space per guest at sea, each yacht in the collection has been thoughtfully designed to fuse the spacious, residential feel of The Ritz-Carlton® properties with the innovative design quality of the world's most stylish yacht interiors.

Here, luxury and comfort are synonymous;
simplicity and elegance go hand-in-hand.

FEEL CONSIDERED

With nearly one crew member for every guest, our Ladies and Gentlemen ensure that your every need is met with genuine care. From handcrafting your favorite cocktail for a sunset toast to planning a bespoke excursion that satisfies your taste for adventure, personalized service is at the heart of the yacht experience.

FEEL SPONTANEOUS

With direct access to the water from our marina-style platform, the ocean is your playground. Explore new coastlines by kayak, enjoy an afternoon of sailing or find your center as you try your hand at paddleboarding. When you're ready to relax, settle into a chaise lounge and soak up the last rays of sun with a handcrafted signature cocktail.

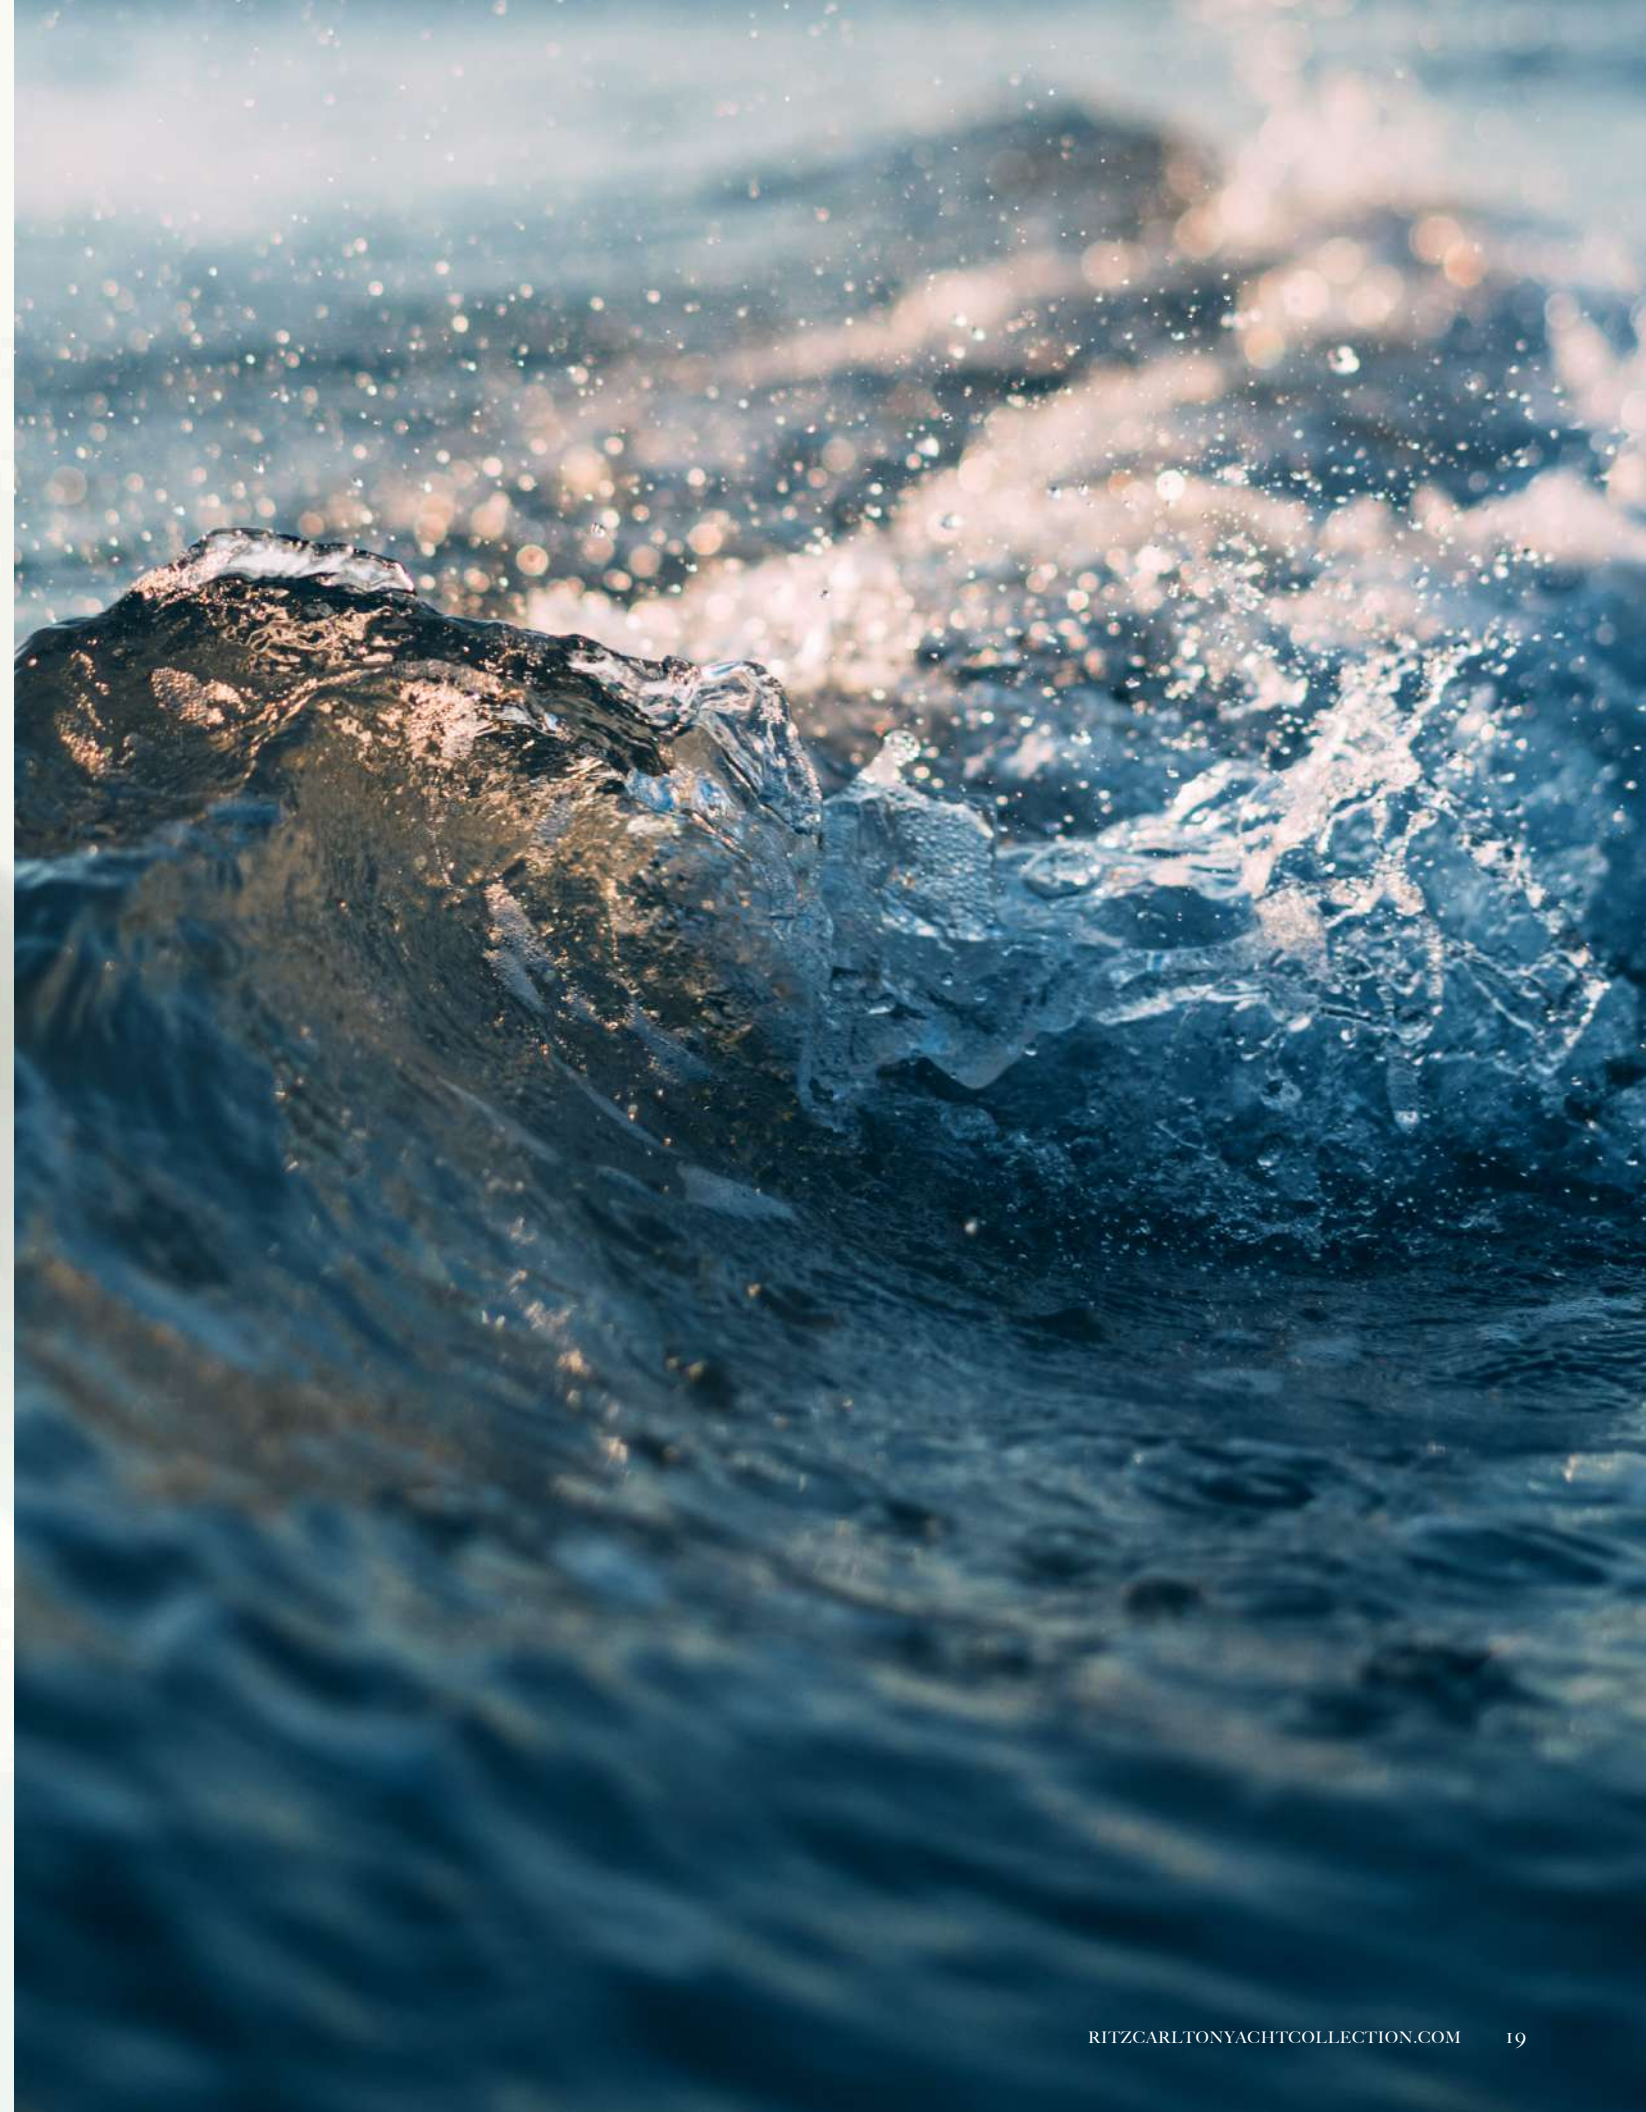

CREATE A CONNECTION

Combining casual luxury with comfortable surroundings, each space has been designed to allow you to connect with family and friends, or simply unplug and enjoy time to yourself. Watch the sky transform at sunset from The Observation Terrace in the company of newfound friends or find an intimate alcove in The Living Room and lose yourself in a favorite book.

TASTE THE SEA

Tempt your palate with unique dining experiences that combine fresh ingredients with the skill and expertise of highly trained chefs. Indulge in an à la carte dining experience designed by Chef Sven Elverfeld of Aqua, the three Michelin-starred restaurant at The Ritz-Carlton®, Wolfsburg, enjoy a fresh catch al fresco as you bask poolside, or order in-suite dining whenever the mood strikes. Our culinary program ensures your every craving can be fulfilled.

FEEL REJUVENATED

A truly restorative spa treatment nourishes the mind, body, and soul — and our locally inspired treatments have been designed to do just that. Feel the tension and stress of everyday life ebb from your consciousness, making way for feelings of tranquility and calm. Exceptional massages, facials and other treatments await you within our serene onboard oasis.

Experience the comforts of home in a spacious ocean-view suite, where you greet each day from your private terrace and where each morning's view is more stunning than the last. Expertly appointed with luxurious amenities, your suite can transition effortlessly from private retreat to a haven for entertaining.

FEEL ENLIGHTENED

Each journey is curated to allow opportunities for making meaningful connections and deepening existing relationships — for engaging in ways that are new, unexpected, and surprising.

Explore new worlds, cultures, tastes — the serene quietude of an underwater ecosystem, or the transcendent flavors of an unexplored cuisine. Along the way, discover another side of yourself.

These are the moments that result in the richest and most rewarding travel experiences — the spark of magic that nourishes our spirit and flickers in our imaginations long after we've returned home.

DISCOVER CAPTIVATING DESTINATIONS

Set sail for celebrated yachting playgrounds and secluded coves that only an intimate yacht can access. Trade the winter chill for Caribbean sun, exploring from the forested peaks and cascading falls of Dominica and St. Lucia to the aquamarine waters lapping at sugary sands in the Bahamas and Virgin Islands. When summer arrives, join the superyachts in the Mediterranean, dropping anchor along the chic rivieras of the French, Italian and Dalmatian coasts and island hopping in the sun-drenched Greek Isles. These inspiring itineraries also offer the opportunity to explore the heart of historic cities such as Barcelona, Rome, Athens and Istanbul.

An aerial photograph of a stunning Mediterranean coastline. In the foreground, the water is a vibrant turquoise, with white foam from waves crashing against a prominent, layered rock formation that features a natural sea cave. To the right, a small beach is visible with several blue umbrellas. In the background, a charming town with colorful buildings is nestled on a hillside, overlooking the sea. The coastline is dotted with more rocky outcrops and small coves. In the far distance, rolling hills and mountains are visible under a clear, bright sky.

MEDITERRANEAN

Colorful coastlines and turquoise waters welcome you to the Mediterranean. Sail into hidden harbors, then step ashore and immerse yourself in the stories of legendary explorers and the stunning, romantic beauty of villages that have been etched out by history.

STIRRING THE SENSES

SOUFRIÈRE, ST. LUCIA
MUD BATHS AND LADERA RESORT

Take a dip at St. Lucia's famous Sulphur Springs Park. The dormant volcano’s mud baths, hot springs and waterfalls continue to draw crowds. There are four small thermally heated pools where you can cover yourself in mineral-rich mud that’s said to soothe everything from sunburn to arthritis. Then head to one of the finest resorts in the Caribbean for lunch. At Ladera, you'll be greeted with a warm Caribbean welcome before making your way to the award-winning Dasheene Restaurant for an a fabulous la carte lunch.

A large cruise ship is seen from a distance on the ocean at dusk. The ship's lights are on, reflecting on the water. In the foreground, a stone path leads down a dark, rocky cliffside towards the water. The sky is a mix of deep blue and purple hues.
