IT'S YACHTING, NOT CRUISING®
ENJOY THE DIFFERENCE

CARIBBEAN • MEDITERRANEAN • SCANDINAVIA & NORTHERN EUROPE • TRANSATLANTIC

Dear Valued Guest,

It seems like only yesterday when we embarked on a journey to redefine the meaning of luxury at sea, founding modern yacht cruising. Today, SeaDream is still a personal dream come true—one that I'm thrilled to share with you.

Almost 25 years ago, we set out to create something different. In that time, we have witnessed the evolution and growth of the cruise industry. Yet, what has kept us ahead in the luxury segment is staying true to the SeaDream concept—intimate, personal, and tailored to you. Now, as we approach our 25th anniversary, I am especially proud to celebrate this milestone with you, our loyal guests, who have made this journey possible.

We have embraced new trends that resonate with today's discerning traveler from slow travel and healthier cuisine to highly personalized experiences. At SeaDream, luxury isn't about opulent cabins, formal nights, or white-gloved butlers. For us, true luxury is the freedom to do what you want, when you want, all in a space that feels like home. Every guest is unique, and our goal is to deliver experiences crafted around your personal preferences—whether it's your favorite meal, a specific wine, or a perfectly planned day at sea.

As the rest of the cruise industry builds ever-larger ships, our smaller size has become an even greater advantage. Imagine your own private oasis at sea, shared with just over 100 like-minded guests, where every detail is catered to you. This is the SeaDream difference.

Our dedicated crew is at the heart of everything we do. They are like family—not just to us but to our guests as well. Their passion for service and the special bonds they form with our guests are truly what set SeaDream apart. Many of our crew members have been with us since the very beginning, a testament to the loyalty and strong ties we share.

Another unique advantage of our small yachts is the ability to visit places others can't. We take you off the beaten path, avoiding the crowds while offering exclusive experiences in even the most popular destinations.

Looking ahead, I am filled with excitement for the next chapter of SeaDream's journey. We are seeing a shift toward more personal, meaningful travel experiences—a core part of what SeaDream has always offered.

I personally invite you to join us on this unforgettable journey. Let us show you the SeaDream difference—where luxury, freedom, and exceptional experiences await.

Welcome aboard!

Atle Brynestad

Founder, Owner, Chairman & CEO
SeaDream Yacht Club

It's Yachting, Not Cruising®
— since 2001

In 2001, Norwegian entrepreneur Atle Brynstad set out to redefine life at sea. His vision was simple and bold: to create an alternative to traditional cruising by offering small-ship, intimate yachting experiences that offer the freedom and flexibility of a private yacht, paired with flawless service and casually elegant style.

SeaDream Yacht Club was born, and with it, the modern era of luxury yacht cruising.

Now celebrating its 25th Anniversary in 2026, SeaDream Yacht Club continues to raise the bar in luxury travel with a steadfast commitment to people, cuisine, small, intimate ports, and exceptional personal experiences. All while staying true to the same defining slogan that has guided us since the beginning:

It's Yachting, Not Cruising®
Enjoy The Difference.

Celebrating 25 Years of Yachting Excellence

Before SeaDream

Norwegian entrepreneur Atle Brynstad becomes the largest shareholder in Royal Viking Line, then the hallmark of luxury at sea.

At age 32, Brynstad founds Seabourn Cruise Line, pioneering a new style of ultra-luxury cruising. He remains chairman for more than a decade, later merging with Carnival Corporation, where he also serves as a board member of Carnival and Chairman of Cunard Line.

2001

Brynstad once again redefines seagoing luxury with the founding of SeaDream Yacht Club, offering modern luxury in the style of your own private yacht.

2002

Both yachts are fully rebuilt. SeaDream celebrates its first anniversary with a sold-out Mediterranean season during a challenging period for global travel.

2003

SeaDream I and II are each awarded **Berlitz's coveted 5-Star rating**, a distinction they have proudly maintained ever since. The same year, Cruise Report honors both yachts with its **Six-Star Award of Excellence**, recognizing perfect scores across every category—from service and cuisine to accommodations, itineraries, and overall value.

2004

Both yachts earn a place on **Condé Nast Traveler's Gold List**, achieving a **perfect 100** for food and service—higher than any other passenger vessel. Later that year, the yachts receive another **perfect service score** in the magazine's **Readers' Choice Awards**, ranking among the world's top travel experiences.

2006

SeaDream sails its first South America voyages, and later returns to Amazon in 2013.

2008

SeaDream I and II are once again ranked among the **"Best Small Ships in the World"** by Berlitz Cruising & Cruise Ships, maintaining their distinction as perennial favorites for more than a decade.

2009

SeaDream continues to earn top honors in Condé Nast Traveler's **Readers' Choice Awards** and Travel + Leisure's **"World's Best"** lists, reaffirming its standing among the most admired travel experiences worldwide.

2011

For the first time, the SeaDream yachts celebrate New Year's Eve alongside the world's superyacht fleet in St. Barths—a new SeaDream tradition is born.

2012

SeaDream introduces **the first plant-based menu** at sea, today offering the most extensive plant-based cuisine of any cruise line.

2013

SeaDream sails its first voyages in Asia, spanning Singapore, Thailand, Malaysia, Australia, Indonesia, Hong Kong, Papua New Guinea, and beyond.

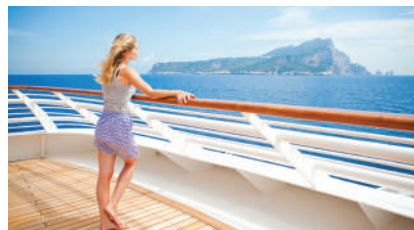

2018

SeaDream earns another Condé Nast Traveler **Readers' Choice Award** in the Small Ships category, continuing its legacy of industry-leading guest satisfaction.

2021

SeaDream is honored once more in Condé Nast Traveler's **Readers' Choice Awards**, recognized for delivering exceptional experiences in the first season of post-COVID travel.

2022

SeaDream becomes **the first luxury cruise line to introduce ultra-high-speed Starlink internet** across its fleet. That same year, it debuts **the industry's only deck-to-sea water slide**—instantly becoming a signature SeaDream experience.

2023

SeaDream becomes the first luxury cruise line to refit its entire fleet with shore power connectivity, setting a new sustainability standard in yachting. That same year, SeaDream is named a winner in **Condé Nast Traveler's Readers' Choice Awards** in the Small Ships category.

Completes keel-to-mast renovations of both yachts, including all staterooms, suites, and public areas.

2024

Launches the Grand Voyage Collection, immersive journeys spanning 11 to 28 Nights.

2025

SeaDream returns to Norway and the Baltics for the first time since 2014, with sold-out voyages featuring Arctic Circle crossings and overnights in the Lofoten Islands. That same year, **Forbes Travel Guide** recognizes SeaDream for having the **highest-rated restaurant at sea**, honoring a tradition of culinary excellence. SeaDream is also named among **Condé Nast Traveler's Readers' Choice Awards** in the **Small Ships category** and honored by **Travel + Leisure** as **Best Intimate Ship Experience**.

2026

SeaDream celebrates **25 years of redefining luxury at sea**. With a quarter century of innovation, intimate experiences, and unwavering commitment to excellence, SeaDream looks ahead to the future—continuing its path as the world's foremost yachting experience and the very best in luxury cruising.

A wide-angle photograph of a tropical beach. The foreground shows white, foamy waves washing onto a golden sand beach. The water is a vibrant turquoise color, transitioning to a deeper blue further out. In the distance, a large white cruise ship with a blue hull is visible on the left. To the right, there are several small, green, hilly islands. The sky is a clear, bright blue with a few wispy clouds.

The Heart of the Caribbean
