NEW! MIDDLE EAST CRUISE TOURS

Our epic new Signature Cruise Tours offer curated activities and hotels both before and after your cruise to truly make the most of your time here. Enjoy enchanted desert camps under the stars and elegant 5-star hotels in Muscat and Dubai. Or mingle with Bedouins amid the Mars-like landscapes of Wadi Rum.

NEW! MORE TO SEE IN TAHITI

We're always looking for new and exciting places, and we've outdone ourselves with new ports in the Marquesas, one of the most remote and untouched archipelagos in the world. Step into Polynesia's past as you watch Marquesan artisans make tapa cloth as their ancestors did. Or join fellow foodies on a new Tahiti & Moorea Foodie Cruise Tour focused on delicious South Pacific cuisine.

NEW! PANAMA AND BEYOND

Panama Canal transits are always popular, and we've added options that go beyond Central America to ports in Ecuador and Peru. Explore the ancient Inca Empire and the towering Andes, colonial towns and mysterious geoglyphs.

NEW! CARIBBEAN SIZED JUST RIGHT

Whether you just have time for a quick getaway or want to snowbird in the tropics, we have an itinerary for you. Escape on a 5-day British Virgin Islands sampler hitting secluded yachting hangouts, trendy St. Bart's, and the luscious, boulder-strewn beaches of Virgin Gorda. Or see it all on a comprehensive 55-day adventure to more than two dozen islands and ports in Central and South America.

NEW! A VERY CANARY WINTER

We're offering a full winter season of cruising in the sunny Canary Islands, where the sub-tropical climate offers pleasant temperatures year-round. Unique island cultures, delicious cuisine, diverse and beautiful landscapes, and some of the world's clearest skies are just a few reasons we love it here.

NEW! A DIET THAT'S "GREEN" AND DELICIOUS

Our new whole-food, plant-based menu gives guests yet another mouthwatering option. We've partnered with the National Health Association (NHA) to create a menu that is both delicious and nutritious, gluten-free and without added salt, oil and sugar. The new menu changes daily and lets guests improve their personal wellness while reducing their environmental footprint.

INTIMATE ACCESS to unspoiled beaches and unfamiliar cultures. Secluded coves and small villages. Misty fjords and medieval ruins. Shared conversations with locals that lead to genuine connections. Time and freedom to explore to your heart's desire.

When you're on board a boutique yacht like ours with a relaxed atmosphere and welcoming crew, the world is within reach. This is travel that's 180 degrees from ordinary.

WINDSTAR KNOWS THE WAY

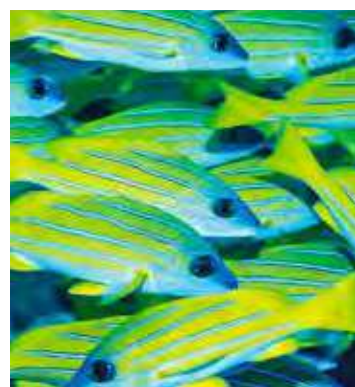

...TO BRING YOU CLOSER TO THE WORLD

The wind and stars have guided the journeys of travelers throughout history. Today they illuminate your path forward to explore the world one enchanting destination at a time. Our iconic, masted *Wind* fleet and our newly reimagined all-suite *Star Plus* fleet take you where the wind and stars have always guided the world's explorers. Because our yachts serve just 148-342 guests, Windstar can deliver you to the doorsteps of the world's most unforgettable destinations, putting unique, highly personal experiences at your fingertips. We know the way to much more than iconic cities, charming villages, secluded coves, and remote islands. Windstar knows the way to offer you an entirely new perspective on travel that is personalized for your travel style with All-Inclusive or Cruise Only Fares.

FROM UNFAMILIAR TO UNFORGETTABLE... *The narrow waterway surrounded by mountains that leads to Seydisfjordur. The Riviera-esque beaches and French flair of St. Barts. The diver's paradise at Fakarava. The hidden wonders, the ports of call, and the serene waterways that Windstar's yachts can find. Enjoy port-intensive itineraries to places like Bora Bora, Doha, Mykonos — names you may have heard but have yet to experience the Windstar way. We often stay late into the evening or even overnight in places where the hum of nightlife is complemented by a blanket of stars overhead. These are the source of memories that will stay with you forever.*

ANYWHERE YOU LIKE, ANY WAY

YOU LIKE

THE WIND AND STARS KNOW THE WAY

Two classes of small ships. Countless reasons to go where the wind and stars take you. With Windstar, you enjoy the remarkable luxury of choosing where in the world you wish to go, and how you wish to cruise.

Our sailing *Wind* and newly transformed all-suite *Star Plus* yachts are small enough to deliver you to the doorsteps of the world's iconic small ports. You'll have time and freedom to wander just as a local would, or with small groups of our fellow guests on one of our 2,000 award-winning excursions.

Yet every yacht in our fleet is spacious enough to offer you a host of services and amenities on board. Our high crew-to-guest ratio allows us to deliver some of the friendliest, genuinely thoughtful service on the seas, with no detail overlooked.

Embrace the opportunity to tailor your cruise with All-Inclusive Fares that feature Wi-Fi; unlimited beer, wine, and cocktails; and gratuities. Or select Cruise Only Fares with amenities purchased à la carte.

OUT OF THE WAY IS OUR WAY

It's much easier to create an itinerary of well-known ports of call. The more difficult effort comes with seeking out those less-visited places that are on the map but not on the tips of travelers' tongues. Windstar looks for destinations worthy of your time yet just out of the limelight — places where locals both go about their days and go on vacation, where you can still enjoy quiet beaches and busy market squares, and where authentic foods replace tourist fare. We then go beyond the ordinary, with exclusive Signature Beach Parties and onboard performances celebrating the local flavor and spirit.

MORE THAN SIMPLY UNIQUE, SIMPLY MAGICAL

EXPERT-TESTED, TRAVELER-APPROVED

We believe that if we fall in love with a destination, you probably will too. Windstar's itinerary planners pore over guest feedback surveys and meet with highly knowledgeable captains and tour operators to learn what experiences guests like you want. Then they pack their bags and do on-the-ground research, trying things firsthand to create itineraries with you in mind.

The result? Thoughtful itineraries with the right blend of late nights and overnights in marquee cities and days in ports off the beaten path. Every possibility lies before you, and Windstar knows the way.

IT'S PERSONAL

YOU'LL JOIN A GLOBAL COMMUNITY of easygoing travel lovers — building real connections with crew, locals, and other travelers that can quickly become lifelong friendships.

Our crew gets to know you — each like, dislike, and extra detail that will make your day. They're experts in world travel, always eager to help you explore and make the most of every moment. And as the *Official Cruise Line of the James Beard Foundation*, our personalized service extends to cuisine, too. Our culinary team remembers your preferences — from your gluten-free, plant-based diet to the way you take your morning coffee or tea.

That's what it means to travel the Windstar way.

THE SECRET TO GREAT SERVICE IS GETTING TO KNOW YOU BETTER

“What I like best about my job is that every night, I have the opportunity to make someone’s evening even more special. That could be seating a couple at their favorite table that I remember from their last cruise, having the Chef bake their favorite cake on their birthday, or taking pictures of their anniversary celebration. Seeing them happy is almost addictive – it makes me want to come up with even more creative ways to make our guests’ experiences unforgettable.”

- Hubert Baudat, Maître d’hôtel

IF WE CAN, WE DO

“When guests leave their room, I like to slip in, refresh the fruit platter, and have everything in perfect shape before they get back from their excursion or dinner. It makes me feel like I have a superpower – like the magic broom in ‘The Sorcerer’s Apprentice.’ I also enjoy talking with them about Indonesia, my hometown. I love to share my favorite places and show them why it’s such a special place.”

- Helda Simatupang, Stateroom Steward

“On a yacht this size I can get to know our guests personally and find ways to tailor the experience to them. They reward me every day just by smiling at small gestures I don’t think twice about, like checking to make sure their luggage made it to their room. I enjoy spending time with them. They’re often surprised when they sail with us again and I still remember their names – and often their favorite cocktails!”

- Iulian Petrasuc, Hotel General Manager

“Who wouldn’t love getting to work on beautiful yachts like these every day? Our guests aren’t just our customers, they’re great people – avid travelers and adventurers who are very interesting. I really enjoy our Open Bridge and having the chance to chat with them over navigational charts. Most other ships would never let guests do that. An added bonus – I get to learn even more about the world by listening to our guests’ travel adventures.”

- Belinda Bennett, Captain

MAKING A DIFFERENCE ONE DETAIL AT A TIME

We know the way to truly unforgettable travel experiences – and we couldn’t do it without the world’s most exceptional crew. For them, hospitality is more than a job; it’s their passion. Nothing brings them more joy than seeing your smile, hearing your stories from the day’s adventures, and getting to know you better. They notice things others might not – your affection for turn-down chocolates, for instance, resulting in extra sweets magically appearing on your pillow. And they’ll be delighted to direct you to their favorite restaurants, beaches, and shops ashore so you can make the most of your time in port. It’s a talent that can’t be taught, because it comes straight from the heart.

THE CONVIVIAL ATMOSPHERE on board is instantly inviting and comfortable. You'll find it natural to strike up conversations with crew and guests alike.

Come. Discover for yourself what makes Windstar so special.

THAT WINDSTAR MAGIC

OUR STANDARD SERVICES ARE ANYTHING BUT STANDARD

There's something about being on a Windstar cruise that's so special, yet so hard to put your finger on. Is it our attentive crew? Yes! Is it our focus on exceeding your expectations? Yes! What makes Windstar 180 degrees from ordinary is built into our culture of hospitality; it's literally built into our yachts.

For example, every yacht in our fleet features a Watersports Platform that lets you jump right from the stern and into the ocean, making it perfect for warm-water adventures. Enjoy complimentary water toys like paddle boards and kayaks, or just sun yourself on our floating islands. We're the only cruise line welcoming guests on to an Open Bridge, where they can pop in to watch the Captain and crew at work, and learn about chart navigation — no reservation needed.

No appointments necessary to join our chef on market tours, either. You're invited to come along as our chefs seek out local flavors and ingredients as they make their way from port to plate.

WE SURPRISE AND DELIGHT

One of the big benefits of our small yachts is how close they can get you to the types of authentic experiences you're looking for. Smaller excursion groups, often led by local experts themselves, ensure deeper insider access behind intriguing local topics. Take falconry lessons in the United Arab Emirates. Sample tree-to-bar Granadian chocolate as you explore a cacao farm in a former rum distillery. Our carefully curated onboard presenters further deepen and enhance your experiences with insight into the region's different cultures.

CURATED FOR CAREFREE ADVENTURES

BEHIND EVERY ITINERARY

KELLY HUBBARD

As Director of Product Development Kelly's focus

is a global one, overseeing all shore excursions, destination engagement, enrichment, and pre- and post-cruise operations. When it comes to shore excursions, she's tasked with ensuring our tour program is not simply "off the shelf" but is more hand curated. As Kelly puts it, "It's important for our guests to understand that our tour experiences are created and tweaked just for them."

MICHELE HANSON

Michele has over 15 years' experience in the cruise and

travel industry with a focus on product development and itinerary planning. She travels throughout Northern Europe, Canada & New England, and the Caribbean looking for the most unique and authentic tours — like an America's Cup sailboat racing experience in St. Maarten or a helicopter fjord adventure in Norway.

MELISSA WITSOE

Product Manager Melissa Witsoe is our resident

expert on the Mediterranean and the South Pacific. With more than 22 years of experience in the cruise and travel industry she knows what appeals to today's traveler. Some of her favorite excursion finds include a gourmet experience in Sorrento, Italy, and a Chianti cruise tour in Rome. "As Product Managers we eat, tour, and travel with our local contacts to see what they don't see because it's part of their everyday life."

TRAVIS LAMARCHE

Travis is our Operations Manager & Corporate

Destination Manager Trainer — supporting our Destination Team at sea and our Product Managers in Seattle. It's a role he's well trained for, with a decade of experience at sea and over 15 years in the industry in areas from product development to public speaking. He's a good listener, too. "My favorite part of my job is meeting and talking to guests, hearing why they love Windstar, and listening to their stories about past adventures."

RICKY TRAUTWEIN

Meet Product Manager Ricky Trautwein. When it comes

to developing Windstar-quality shore excursions in Spanish speaking countries, Ricky is our go-to guy. In college, he earned a degree in Spanish and studied abroad in Seville, where he fell in love with the country and the culture. That, plus his 10 years of experience in Travel & Hospitality, make him the perfect choice for coordinating in-depth cultural experiences in Central America, Iberia, and beyond.

THERE IS NO "TYPICAL" EXCURSION

Unless you think an excursion to try Viking sushi is typical, our shore excursions are incomparable, once-in-a-lifetime adventures. We will help you select shore experiences that are suited to you. On many voyages you'll discover excursions to UNESCO World Heritage Sites, so chosen for their outstanding cultural or natural value to humanity. Other opportunities focus on a region's diverse and unique wildlife, or have been selected to appeal to foodies, history buffs and active adventurers. From archaeological wonders to regional wine tastings, discover an unparalleled way to experience other lands and see the world from a new perspective — designed by a team who have already been there and done that.

WE KNOW YOU'LL WANT TO GO, BECAUSE WE'VE ALREADY BEEN

We can promise you'll enjoy truly authentic experiences, because we've personally vetted all our excursions for you first. Our Product Development Team travels to each destination and personally curates each shore excursion to make sure it makes the grade.

We travel in small groups, so we can adjust tours in real time based on guest feedback, whether that means finding a different place for lunch or spending more time at a particularly fascinating historical site. We take the time and make the trip because we want your travels to be unforgettable.

LEARN WHAT LOCALS KNOW

And with more than 2,000 curated excursions to choose from, you can experience your destination in whatever way is most meaningful to you. MANY OF THE WORLD'S MOST CELEBRATED RESTAURANTS

might call it madness to change their entire dinner menu every day. Madness? We simply call it the Windstar way. Many menus change daily, so you'll never eat the same exact thing (unless you truly want to). Amphora's menu also features dishes created by a James Beard Foundation affiliated chef who has sailed with us before. Our onboard chefs provide plant-based options at every meal and will often integrate fresh ingredients, spices, and flavors picked up in port during their trip to the local market. It's just one more way we help you devour local life and community, and whet your appetite for travel.

GLOBAL FLAVORS FROM PORT TO PLATE

FABULOUS MEALS DESERVE FABULOUS WINES

Peter Tobler, Windstar's Director of Food & Beverage Operations, put his 30+ years of hospitality, travel, and cruise experience to work curating Windstar's wine list, with a goal of including a variety of profile preferences, price points, and regions. The robust menu features 110+ wines from 92 wineries, 58 wine regions, 10 countries, including selections from places such as Argentina and Australia.

OUR PLANT-BASED CULINARY INNOVATIONS

Try veggie enchiladas, crispy kefta of lentil and beet, or chocolate delight cake to name a few of our wide variety of plant-based innovations. This program rotates daily at each meal, so you'll have plenty of choices and options that are developed in partnership with the National Health Association.

FINE DINING HAS ALWAYS BEEN ONE OF THE PILLARS OF THE WINDSTAR EXPERIENCE

Now guests can dine on dishes created by not just one celebrity chef, but by a list of all-stars recognized by the James Beard Foundation, an organization committed to celebrating, nurturing and honoring chefs and other leaders making America's food culture more delicious, diverse and sustainable for everyone. This partnership also extends beyond the dining room to a wide range of culinary events and activities that help guests connect more intimately with local cultures.

The James Beard Foundation nominates and chooses winners of the James Beard Awards, referred to as the "Oscars" of the restaurant industry. As the *Official Cruise Line of the James Beard Foundation*, we're able to work with some of the best chefs to create the extraordinary dishes on our nightly menu. Nearly four dozen chefs have sailed with us on our culinary-themed cruises.

WHAT ALL OUR SHIPS HAVE IN COMMON IS NOT COMMON AT ALL

You can slip past the crowds to discover smaller ports and get to know the local culture on more intimate excursions. We offer two different yacht styles — the sailing *Wind* and newly transformed all-suite *Star Plus* — with custom-crafted journeys that highlight their unique attributes, whether island-hopping in Tahiti or cruising the Norwegian fjords. No wonder Windstar was voted one of the World's Best small-ship ocean cruise lines by the readers of *Travel + Leisure* in 2023.

YOUR YACHT. YOUR CHOICE.

All staterooms and suites offer ocean views designed with scenic cruising in mind. Special touches such as L'Occitane® bath amenities, and waffle weave robes and slippers turn your room into a private oasis. With three world-class restaurants — *Amphora*, *Veranda*, and *Candles* — and the most personalized service at sea, you have everything you need right on board. Our yachts boast ample decks and a Watersports Platform that lets you jump right into the ocean.

THE PERFECT YACHT FOR YOUR CRUISING STYLE

THE CLASSIC WIND YACHTS

With the iconic white sails billowing in the wind, bringing guests back to the true romance of sailing, these are the classic sailing yachts for which Windstar is known.

An abundance of wide-open decks and elegant outdoor spaces make our three *Wind* yachts the perfect way to experience warm seas and tropical breezes.

Enhanced in November 2019, *Wind Surf* is the world's largest sailing vessel, serving up to 342 guests. *Wind Star* and *Wind Spirit* each serve just 148 guests — designed to sail quietly past larger cruise ships and into secret lagoons and near the most secluded beaches.

ALL-SUITE STAR PLUS YACHTS

We call them the all-suite *Star Plus*, because it takes everything guests love about private yacht-style cruising to the next level. The entire yacht has been transformed end to end by a \$250 million investment, with almost everything upgraded, including the engines — making them reimagined from the inside out. You get even more suites to choose from, more amenities on deck, and more to explore on board.

Star Breeze, *Star Legend*, and *Star Pride* feature spacious ocean view suites of 277 square feet or more for the standard stateroom. Each serves only 312 travelers per voyage, ensuring thoughtful, genuine service thanks to a high

crew-to-guest ratio. Dine at two new restaurants developed by a 10-time Michelin starred chef and the global grilling authority. Lounge in the elevated infinity pool that serves as the centerpiece of our deck and relax in the *World Spa by Windstar* with locally inspired treatments.

THIS IS YOUR LUXURIOUS YACHT, bringing with it even more of what guests love about our private yacht style cruise experience. It's the result of a \$250 million end-to-end transformation of our all-suite Star Plus yachts, formerly the Star Class: Star Breeze, Star Legend, and Star Pride. Serving only 312 guests, these small yet spacious all-suite yachts now offer beautifully redone bathrooms throughout, two new world-class restaurants created by renowned chefs, expanded public spaces, and even more high-end amenities.

GRILLED. SMOKED. SLOW-ROASTED ON THE ROTISSERIE.

You can tell a lot about a culture by the way it grills. You'll find all the iconic grilled and barbecued favorites (and discover new dishes from around the globe) at *Star Grill* by Steven Raichlen — our new casual outdoor restaurant brought to you in partnership with the Barbecue Hall of Famer.

NEW ON ALL-SUITE STAR PLUS CLASS – Just steps away from the popular *Star Bar*, the *Star Grill* by Steven Raichlen offers alfresco dining, with two carving stations. Experience traditional and world barbecue with a modern twist: Shrimp on Sugarcane, Tea Smoked Duck, and Smoked Prime Rib. FIND A LITTLE BIT (OR BITE) OF SPAIN ON DECK 6

at our new specialty restaurant, *Cuadro 44* by Anthony Sasso. A 13-year veteran of Casa Mono in New York City, where he earned the restaurant a Michelin star 10 times, Sasso knows his way around the kitchen and the galley. His newest creation is an inventive take on modern Spanish cuisine just for Windstar.

NEW ON ALL-SUITE STAR PLUS CLASS – Savor flavors of Spanish local culture as you dine family style in intimate surroundings that encourage sharing and camaraderie. Sit at a cozy chef's counter or communal table and pass around regional dishes like *jamon iberico*, or a favorite dessert of Madrid, *churros y chocolate*. It's a delicious way to experience the best coastal regions of Spain — no matter where your Windstar cruise is headed.

◆ *"I've spent a lifetime studying Spanish food and culture, working in several Catalan kitchens and learning from the masters. This new venture with Windstar will be the perfect vehicle to showcase the enticing flavors of Spain and its coastal seas."* ◆

Learn About Their Culture

From the color of their dress to how the Middle East became the epicenter of luxury, learn more about the culture and

how it has evolved over time with a mix of religion and modernization.

Learn Their Ancient Arts

Learn to make your own lei, given as a symbol of hospitality and welcome when you arrive in Tahiti. Listen to a tattoo

THE BEYOND ORDINARY

CARE PROGRAM

HERE AT WINDSTAR CRUISES, THE HEALTH AND SAFETY OF EVERYONE ON BOARD IS A TOP PRIORITY

We have made a multi-million dollar investment in our fleet in an effort to provide a healthy environment while sailing on a Windstar yacht. Hospital grade high-efficiency particulate (HEPA) filters along with a UV-C air zapping process (ultraviolet germicidal irradiation) have been installed on board all Windstar yachts.

Our *Beyond Ordinary Care* program was developed with consultation and review by the Senior Medical Director in the UC Health Infection Control and Prevention Department at the University of Colorado School of Medicine, and implements a rigorous multi-layered approach of science-led best practices aimed at keeping everyone aboard healthy.

SAILS FOR SUSTAINABILITY

The sails on Windstar's three *Wind Class* ships aren't just for show. They help us improve fuel efficiency and propel guests to some of the most romantic destinations on Earth – places like Tahiti, Greece, and Italy.

WINDSTAR'S HOSPITALITY IS LEGENDARY, from staff who welcome you by name to waiters who bring your favorite beverage before you even ask. And we show that same consideration to the planet we all share, because protecting the beautiful places and oceans we visit just makes sense.

LEGENDARY HOSPITALITY WITH A SOFTER

FOOTPRINT

CRUISING INTO A SUSTAINABLE FUTURE

As a small-ship cruise line with wind-powered ships, Windstar is already ahead of the curve on sustainability. With no more than 342 guests, our yachts have less impact on the environment and the communities we visit. Still, we continually assess and improve our environmental practices to make the planet cleaner and greener.

Some initiatives are large, like replacing engines with more efficient ones. And some may seem small, like polishing our propellers twice a year for peak efficiency. But when it comes to protecting the world's natural surroundings, even small changes add up.

REDUCING OUR USE OF FOSSIL FUELS

Innovations in maritime technologies offer many opportunities to minimize greenhouse gas emissions, and Windstar is working to incorporate these into our fleet. Our all-suite Star Plus Class yachts have new engines that use cleaner-burning fuel with lower sulfur content to minimize environmental impact. This reduces fuel use and greenhouse gas emissions by about 20% per passenger nautical mile. We're also repainting the

hulls of all six ships with a special paint that reduces drag and increases efficiency by up to 3%.

Other ways we reduce fuel consumption include increasing the use of ship sails and strategically planning itineraries. We've also implemented lighting upgrades and HVAC enhancements to reduce energy use onboard.

SAVING FRESH WATER FOR A RAINY DAY

The Windstar fleet is surrounded by seawater, yet we're keenly aware of the importance of maintaining precious water resources for generations to come. Although seawater is not drinkable, our yachts have efficient equipment for reliably creating potable water onboard. We also encourage guests to conserve by reusing towels before having them laundered.

KEEPING TRASH OUT OF LANDFILLS

Conservation is not just about reducing consumption, it's about reducing waste, and we have a number of initiatives to reduce, reuse, and recycle. These include replacing paper documents with e-documents, eliminating single-serving amenity containers in staterooms, more accurately forecasting food consumption and supplies, asking suppliers to reduce packaging, and working with local communities to ensure we fully comply with local garbage segregation requirements.

SAYING NO TO SINGLE-USE PLASTICS

We have also drastically reduced single-use plastics, eliminating plastic bottles from our staterooms and restaurants, and reducing the use of straws, cups, and other plastic items.

LEAVING THE OCEAN BETTER THAN WE FOUND IT

Of course there are other forms of waste, and we work hard to reduce those as well. We upgraded our wastewater treatment systems, use environmentally acceptable lubricants where feasible, and use biodegradable, environmentally friendly cleaning supplies. We also removed all onboard incinerators to eliminate air emissions.

Windstar employees add to our corporate efforts by volunteering in beach clean-up days in both Seattle and Miami. Even our guests take part, adding their "adopt a coral" donations to our own donation to an NGO called Coral Gardeners that's working to replant healthy corals where reefs are struggling. (See page 75 for details.)

FOOD THAT IS GOOD FOR YOU AND THE PLANET

Being gentle on the environment can also mean changing what you eat, since a plant-based diet saves water and reduces greenhouse gasses. For those who favor vegan meals, we now offer a plant-based, gluten-free menu prepared without added salt, oil or sugar. We have partnered with the National Health Association (NHA) to create offerings that are both nutritious and delicious, and are excited to add these to our standard and vegetarian menu choices.

WE MAY NOT BE BIG, BUT WE CAN STILL MAKE A DIFFERENCE

In the overall scheme of things our efforts to protect the planet may not make waves, but we believe every ripple counts.

CRUISING IS THE IDEAL WAY to experience coastal areas and port towns. But sometimes there are highlights inland that call your name too, in regions you may only get to once in a lifetime. Windstar Cruise Tours offer the perfect solution, combining your favorite cruise itineraries with adventures further afield to must-see places like Meteora and Petra. Best of all, you can rely on Windstar to handle all of your Cruise Tour's land logistics with the same care and attention to detail they show on your cruise, including tickets to attractions, land transportation, hotel accommodations, select meals, and more.

We've curated these Cruise Tours to show off the very best of a region, and have personally vetted every selection to make sure it's up to Windstar standards. In some cases we even include meals in particularly noteworthy restaurants that do a great job featuring local cuisine.

When you've already traveled a long distance to see a region, it only makes sense to make the most of the opportunity. Let a Windstar Cruise Tour make that task effortless, just like it is on your Windstar cruise.

AT WINDSTAR, WE CONSTANTLY PUSH THE LIMITS of upscale, small ship travel, scanning the globe for fresh destinations (including the ones you didn't know existed) and showing them to you in ways no one else can. While every voyage introduces guests to must-see places in innovative and authentic ways, some stand out for their breadth and depth of discovery.

This curated collection features limited sailings that are singular for the sheer number of UNESCO World Heritage Sites visited, variety of landscapes explored, and menu of regional delicacies tasted and bottles poured. Each has been carefully designed to showcase the richness of the regions and we've asked our experts — everyone from yacht Captains to our President — who provide insights on the region and reasons why a particular voyage will redefine your bucket list.

JOIN US FOR OUR JOURNEYS to the land Down Under. Dive the Great Barrier Reef into waters every shade of blue. Cruise fiords surrounded by every shade of green. Sip fine wines born of volcanic soil, austral sunshine, and ocean breezes off the Tasman Sea. Find yourself at the Sydney Opera House one day, in a tiny Indigenous community learning to play the didgeridoo or chanting a Haka the next. Head off the beaten path to undeveloped islands where the only way ashore is to beach your Zodiac and walk through the surf, what we call “wet landings.” See all the weird and wonderful creatures you’ve heard so much about and make the walkabout your own.

WINDSTAR'S FAVORITE FIVE:

- K'gari (Fraser Island), Australia
- Port Arthur, Tasmania
- Airlie Beach, Australia
- Fiordland National Park, New Zealand
- Picton, New Zealand

SURF BOARDS AND FIORDS. *Penal colonies and penguins. Flightless kiwi birds and kiwi fruit with fur. The land Down Under is full of conundrums for you to explore as Windstar visits Australia and New Zealand. Natural wonders take your breath away – the Great Barrier Reef, Fiordland National Park, lush Whitehaven Beach. Others make your mouth water. Taste fine local wines in iconic cities, then head off the beaten track to taste Bluff oysters and Kaikoura crayfish. Make a grand entrance into Auckland, City of Sails, on your elegant yacht, and unheralded wet landings on tiny islands. Sit side-by-side with Māori and Torres Strait Islanders, as you listen to stories passed down through generations. Visit K'gari (Fraser Island) – the only place in the world where rainforest grows on sand. From unusual wildlife to world-class cities, we've got it all.*

FIORDS TO FINE WINES

WHY WINDSTAR'S AUSTRALIA & NEW ZEALAND:

- Make the most of your trip to the southern hemisphere with our comprehensive itineraries to New Zealand and Australia
- Visit small, rarely visited ports of call like K'gari (Fraser Island)
- Overnight in exhilarating cities like Hobart and Sydney
- Get to know outrageously beautiful Tasmania with visits to two cities, Hobart and Port Arthur
- Explore the Great Barrier Reef and the Daintree Rainforest on a Cruise Tour

FEATURED PORTS:

Port Douglas, Queensland, Australia – This little slice of heaven rewards guests with a gorgeous palm-fringed beach bordered by azure waters and a seaside resort infused with charm and history. Venture out to either of two sensational UNESCO World Heritage Sites – Daintree, the oldest rainforest on earth, and the Great Barrier Reef, the planet's largest coral reef system. Go on a crocodile cruise. Or on an Aboriginal guide-led walkabout in the rainforest and learn about the tribes who have historically made their home here.

Hobart, Tasmania, Australia – When most people think of Tasmania they think of lush foliage, wilderness, and crazy wildlife. And it's true – you'll find all that here. But in Hobart you'll also find a sophisticated farm-to-table food scene, fine local wines and craft beers, perfectly preserved Georgian warehouses, and nearby, the UNESCO World Heritage Site of Port Arthur, a historic penal facility used by the British Empire until 1877. That's a lot of attractions for a tiny island state, and makes for some difficult choices when you come ashore.

FEATURED SHORE EXCURSIONS:

Sydney: Sydney Bridge Climb Experience – Conquer the heights of the famous Sydney Harbour Bridge. You'll start up the eastern arch to the summit and then come down the western arch of the bridge. YOUR CRUISE TOUR DAY-TO-DAY SNAPSHOTS

Colored descriptions indicate land tour portion.

DAY 1 • CAIRNS TO PORT DOUGLAS

Settle into your treehouse bungalow at Port Douglas' Thala Beach Nature Reserve Resort, a 4.5-star luxury resort on a private headland. Spend the rest of the day on your own — complimentary activities vary but may include guided nature or garden walks, bird and butterfly walks, conversations with the local Aboriginal community, and sea kayaking. (Includes overnight at Thala Beach Nature Reserve bungalow and transfer from airport.)

UNESCO-inscribed Daintree Rainforest is the oldest rainforest on the planet, noteworthy for its complex ecosystem and a lush beauty that's said to have inspired the movie *Avatar*. Watch for crocodiles and other creatures on a rainforest river cruise, then meet some human rainforest residents at the Mossman Gorge Centre, cultural hub of the Kuku Yalanji Indigenous people.

(Includes breakfast at the hotel, lunch, and overnight at Thala Beach Resort.)

WHAT'S INCLUDED

- Flight from Cairns to Melbourne

†Or similar hotel

DAY 3 • GREAT BARRIER REEF

Your full day at the Great Barrier Reef begins with a boat ride to the less-frequented outer reef — an area rich with coral, fish, dolphins, stingrays, and turtles. You'll have plenty of time to snorkel and swim, meeting species such as the iconic parrotfish.

(Includes breakfast at the hotel, lunch, and overnight at Thala Beach Resort.)

DAY 4 • CAIRNS TO MELBOURNE, AUSTRALIA

It's a travel day to Melbourne where the evening is at your leisure.

(Includes breakfast at the hotel, and overnight at the Stamford Plaza Melbourne Hotel.)

DAY 5 • MELBOURNE, AUSTRALIA

The capital and most populated city of the state of Victoria, Melbourne is located on the large natural bay of Port Philip. The abundance of parks and gardens here has resulted in Melbourne being referred to as Australia's "Garden City."

(Includes breakfast at the hotel and transfer to the yacht.)

DAY 6 • AT SEA

DAY 7 • PORT ARTHUR, TASMANIA, AUSTRALIA

At its location on the Tasman Peninsula, small, hidden Port Arthur was a 19th century penal settlement that is now an open-air museum. The ruins here include the large penitentiary and the shell of the Convict Church, which was built by inmates. Port Arthur is a UNESCO World Heritage Site as part of the Australian Convict Sites group.

DAYS 8/9 • HOBART, TASMANIA, AUSTRALIA (OVERNIGHT)

The capital of Tasmania has a palpable colonial identity, and any decent walkabout will lead you to historic 19th century buildings. You'll find them in the city center, along the waterfront where elegant Georgian sandstone warehouses once held exports like fruit and whale oil, and at well-preserved Battery Point where the well-heeled built grand mansions.

DAYS 10/11 • AT SEA

DAY 12 • SCENIC CRUISING FIORDLAND NATIONAL PARK, NEW ZEALAND

This is one day you won't want to sleep in. Shimmering waterfalls, primeval forest, playful marine life — this serene UNESCO wilderness is dazzling in its beauty.

DAY 13 • BLUFF, NEW ZEALAND

This small town is the country's closest port to Australia, making it an access point for immigrants: something that may account for the hint of a Scottish burr in the local dialect. World famous for Bluff Oysters, the city is also the gateway to Stewart Island with its rare kiwis.

DAY 14 • OBAN, NEW ZEALAND

The main settlement of Stewart Island is a haven for bird life like kaka, parakeets, tui and New Zealand's national bird, the kiwi. Pleasantly located on a vista of picturesque bays and coves with lush vegetation, activities around Oban include hiking, sea kayaking, diving, or take one of New Zealand's Great Walks to Māori Beach, the site of a 1913 lumber mill.

DAY 15 • PORT CHALMERS (DUNEDIN), NEW ZEALAND

Scottish Dunedin offers the best of both worlds. Take in grand Victorian and Edwardian buildings like the iconic Railway Station and New Zealand's only castle. Head to the Otago Peninsula to see rare yellow-eyed penguins. Or ride a historic train through spectacular Taieri Gorge.

DAY 16 • LYTTELTON (CHRISTCHURCH), NEW ZEALAND

If Dunedin is a bit of Scotland then Christchurch is a bit of England, right down to the Avon River flowing through the city and its plethora of parks and gardens. The Botanical Garden is well worth a trip, or set your sights on a different terrain. This city has been a gateway to the Antarctic since the early 1900s, and you can gain insight into the frozen frontier at the International Antarctic Center.

DAY 17 • WELLINGTON, NEW ZEALAND

The capital of New Zealand spreads across the shores of a wide harbor and up steep hills. It's a great city for food lovers, claiming to have more places to eat and drink per capita than New York City.

DAY 18 • AT SEA

DAY 19 • TAURANGA, NEW ZEALAND

Beautiful Tauranga is the home of The Shire where many scenes were filmed for *Lord of the Rings* and *The Hobbit* movies. Another attraction is the Waitomo Glowworm Caves with a glowworm species exclusive to this area.

DAY 20 • AUCKLAND, NEW ZEALAND

End your Cruise Tour in the "City of Sails," a multicultural city enriched by more than 180 ethnic groups.

THEY CAME IN OUTRIGGER CANOES not knowing what lay ahead. Navigating by sun, moon, and stars, they arrived in these far-flung islands and developed cultures that continue to astound. Fijians who walk on fire. Huahine’s stone fish traps still in use after hundreds of years. They pushed on further still – to remote islands in the Tuamotus where copra and pearl farming are still a way of life, to Rarotonga, the source of Maori culture, and to the Marquesas, known for its ethereal landscape and its rich culture. Feel the tingle of kava on your lips and realize these cultures are so much deeper and richer than you ever imagined.

A graceful yacht is the perfect way to experience the true wonder of Tahiti. We'll visit one legendary island after another, with plenty of casual time to swim and snorkel in crystal-clear lagoons, meander through lush rainforests, and experience the fascinating Polynesian culture from tikis to tiare flowers.

HARVEST YOUR OWN BLACK PEARL

We were transported from the yacht on the island of Raiatea to a local boat wharf, and taken by skiff to an over-water reef house. Our group was met with cold Hinano (local) beer and fresh slices of coconut, to further herald our arrival to this outpost of stunning, 360 degree beauty. Our guide, Summer Rotu, a San Diego native who manages Anapa Pearl Farm, then gave us a lesson in how pearls are farmed, what goes in to creating such lovely and unique jewelry, and how the cultivation of black pearls is a major part of the economy in French Polynesia.

seek" we'd ever played: she'd hidden four oysters, all which might contain a black pearl, around the reef house. We dove, splashed, and delighted in finding our oysters, eager to see what was inside.

The pearl grafter (who works to inseminate oysters and harvest their pearls) then opened our treasures, and we were all delighted at what we found. Our pearls were beautiful, many quite large and unique in their coloring with the rarest of "bronzes" eliciting many ooh's and aaah's.

Summer then outfitted our small group with snorkel equipment, and we were set loose to explore the underground workings of a pearl farm. Summer then announced the most exciting game of "hide and

BORA BORA: CELEBRATION FESTIVAL

Windstar Exclusive: Guests on every Windstar Tahiti cruise are treated to a complimentary Bora Bora Celebration Festival on a lovely private motu, complete with Tahitian fire dancers and local cuisine.

WELCOME TO YOUR MAGICAL MOTU. The enchantment begins as you step ashore to receive a fragrant flower lei, and continues as you feast on a menu carefully chosen by Windstar's executive chef – delicious barbecue favorites plus traditional island dishes like poisson cru and po'e.

When the sun goes down, the curtain rises and you are whisked back to the days of old when fire dancers from mountain villages used war clubs in their performances to demonstrate their prowess in battle.

LISTEN TO THE FIRE TALK. Fire dancing is found throughout the world, but perhaps nowhere has it taken on greater significance than in the South Pacific. With no written language, early Polynesians relied on oral traditions and dance to pass on their heritage. Ancient fire dances were also often a part of pre-battle rituals, helping warriors prepare for the combat ahead.

The speed and acrobatic prowess of the performers takes your breath away as they write messages to the gods against the night sky. The beating fa'atete drums quicken your pulse, and the heat is so intense you can feel it even from 10 feet away. As the performance ends you are left in awe, with memories burning as bright as the dancing flames.

INSIDER TIPS

- You'll receive your own personal set of snorkeling equipment and fins for the duration of the voyage, custom-fit by our Watersports team. So you can snorkel from the beach without having to wait in line to rent equipment.
- One thing you'll want to do as soon as you get on board — make a reservation to dine in *Candles*. This signature outdoor restaurant is the perfect place to watch a tropical sunset and enjoy a romantic tête-a-tête.
- In the islands you're almost guaranteed to come across noni (NO-nee) juice, made from the fruit of the *Morinda citrifolia* tree. Polynesians have used noni in traditional folk medicine for over 2,000 years and it's packed with antioxidants.
- The most thrilling diving and snorkeling in the Tuamotu chain is drift diving, a Zen-like experience where you float along with the current. This allows you to conserve energy and concentrate on the scenery going by.
- While colorful reef fish are plentiful, French Polynesia is renowned for its big marine animals. And if you're into sharks, this is simply one of the best dive destinations in the world.

TATTOOS TELL THE TALE

Although it didn't originate here, tattoo art has been a tradition for a long time in Polynesia, especially in the Marquesas. Each island group has its own motifs, and are used to tell visual stories, often covering large areas of the body.

These tattoos are seen as a form of cultural preservation, a way to honor ancestors, and a means of connecting with traditional Marquesan practices.

THE MARQUESAS: A REMOTE POLYNESIAN TREASURE

If you're looking for a tropical South Pacific paradise far removed from tourists and overwater bungalows, an island where people are scarce, visitors are few, and old Polynesian ways live on, look no further than the marvelous Marquesas.

This is one of the most remote and untouched archipelagos in the world, 1,400 miles from its nearest neighbor. And if you add up the entire population scattered across half a dozen islands, it's still well shy of 10,000. No wonder the Marquesas offer a pristine environment and authentic culture that most people never get to experience.

FROM HANDICRAFTS TO FINE ART

All of the Marquesas islands are rich with culture, but each one offers something different.

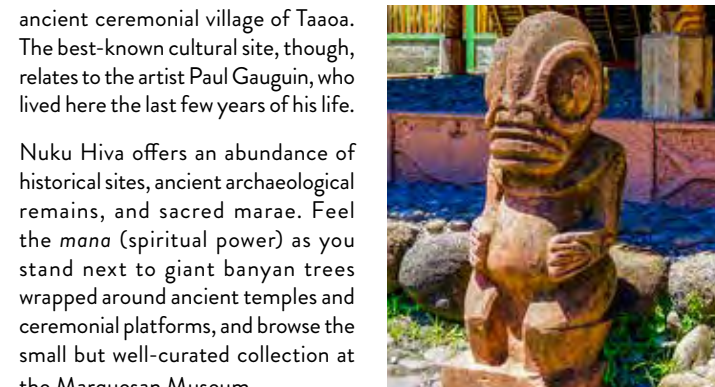

The picturesque island, Fatu Hiva, has a stunning natural beauty that has inspired artists for centuries. It's famous for its traditional arts and crafts, particularly woodcarving and *tapa* cloth. The painstaking process of turning tree bark into fabric has been passed down through the generations and is incredible to watch.

A RARE DESTINATION, A RARE OPPORTUNITY

In the Marquesas islands, you can immerse yourself in authentic Polynesian culture in surroundings that are both beautiful and delightfully undiscovered. There isn't much infrastructure for scheduled tours or even transportation to the island. Windstar knows the way to allow you to experience this off-the-beaten-path adventure that would be nearly impossible to experience otherwise.

ancient ceremonial village of Taaoa. The best-known cultural site, though, relates to the artist Paul Gauguin, who lived here the last few years of his life.

Nuku Hiva offers an abundance of historical sites, ancient archaeological remains, and sacred marae. Feel the *mana* (spiritual power) as you stand next to giant banyan trees wrapped around ancient temples and ceremonial platforms, and browse the small but well-curated collection at the Marquesan Museum.

PAPEETE TO PAPEETE | 14 DAYS

Go beyond a typical Tahiti cruise during this island odyssey throughout French Polynesia and the remote Marquesas Islands. Follow in the creative footsteps of Symbolist artist Paul Gauguin as you explore his former home on Hiva Oa, then run your fingers along the hand-hewn surfaces of the largest Tiki sculptures found anywhere in the Pacific. Journey to Fakarava’s lagoon, a UNESCO Biosphere Reserve teeming with seabirds and vibrant tropical fish. Admire colorful coral gardens from your glass-bottom boat near Tiputa on Rangiroa. Swim with playful manta rays and docile black-tipped reef sharks in Bora Bora’s Blue Lagoon prior to a romantic starlit overnight port stay. Trek along Moorea’s rolling Opunohu Valley trail past fruit plantations and through an exotic hardwood forest on your way to majestic views of Mount Mouaroa, Mount Rotu and Mount Tohiea — three of the highest summits in the Society Islands.

VOYAGE HIGHLIGHTS

- Luxuriate in a delightful overnight in Bora Bora, a unique island paradise
- Overnight in Papeete with time to peruse the lively Marche de Papeete and dine on Polynesian cuisine
- On remote Fatu Hiva learn about the art of making *tapa*, a beautiful cloth made from the bark of banyan, breadfruit and mulberry trees

- Visit the Calvaire Cemetery where both Paul Gauguin and Jacques Brel are buried on Hiva Oa
- Explore the rich ecosystem of Fakarava, a UNESCO Biosphere Reserve with some of the best diving in the South Pacific
- Celebrate at Windstar’s Destination Discovery Event and fun-filled Signature Onboard Barbecue
- Among the sites to see on Nuku Hiva is the charming Eglise Des Sacres Coeurs

**DAYS 1/2 • PAPEETE, TAHITI,
SOCIETY ISLANDS**

Relax on sunny beaches, sample Tahitian fare, and take in the effervescent spirit of the city. But whatever you do, save time — and luggage space — for shopping. Black pearls and colorful crafts fill the market and local treasures are so plentiful you’ll have trouble making your choices but you won’t be bothered with large crowds and big tour groups because French Tahiti is only accessible to small ships like ours.

**DAY 3 • FAKARAVA,
TUAMOTU ISLANDS**

Here is a rare opportunity to experience one of earth’s most rare and beautiful places. Fakarava, a place so stunning, an ecosystem so diverse it has been named a UNESCO Biosphere Reserve. This diver’s paradise welcomes you to a world of magnificent cauliflower coral, sleek grey sharks, and neon schools of tropical fish. This “Island of Dreams” is home to rare species of nesting birds and rare marine life living in tranquil harmony.

DAY 4 • AT SEA

**DAY 5 • OMOA, FATU HIVA,
MARQUESAS**

Fatu Hiva is wildly beautiful, with jungle greenery plunging straight down into the splashing surf. This is the most remote and isolated of the three islands we’ll visit in the Marquesas, reachable only by sea — a fact that has helped keep both nature and the culture of this island pure and authentic. Lush rainforests teem with endemic species, and marine life is prolific. And although there are only 650 people on the island, they preserve traditional skills that have been long forgotten elsewhere, such as

how to make *tapa* cloth from tree bark. It’s a secret they’ll be happy to share during your stay here.

**DAY 6 • ATUONA, HIVA OA,
MARQUESAS**

Art has always been a way of life on Hiva Oa. Paul Gauguin painted it, Jacques Brel sang about it, and ancient artisans carved petroglyphs and giant stone tikis in honor of it. And how could you not be inspired? The colors are intense and magical, from psychedelic hibiscus flowers to fluorescent green palms and black sand beaches. And even the Calvaire Cemetery where Gauguin and Brel are buried offers frame-worthy views. Browse the Gauguin Museum for a look at the artist’s work, or ponder puzzling tikis like the forest dweller with a Mona Lisa smile.

**DAY 7 • TAIHAE, NUKU HIVA,
MARQUESAS**

Taihae has only 1,700 residents but it’s the “big city” by Marquesas standards. Buildings seldom rise above sailboat mast height and there aren’t any traffic lights because there isn’t much traffic. What you will find here, though, are spectacular scenery from basalt peaks to waterfalls, exceptionally warm, friendly people, and numerous ancient marae sacred sites that resonate with powerful *mana*.

DAY 8 • AT SEA

**DAY 9 • TIPUTA, RANGIROA,
TUAMOTU ISLANDS**

Some people call this place heaven. You will call it perfect. The huge lagoon surrounded by beautiful coral and filled with colorful fish, rays, and dolphin is a diver’s dream. Explore, with an optional tour, in a glass bottom boat, take a dive that matches your level of expertise, or enjoy the magic of drift snorkeling. This is a place like no other on earth.

DAY 10 • AT SEA

**DAY 11 • MOTU MAHAEA (TAHAA),
SOCIETY ISLANDS**

We will spend the day on a private island complete with swaying palm trees and white-sand beaches. Swim, snorkel and enjoy a variety of water sports in the crystal-clear waters. There will be a delicious barbecue lunch and tropical drinks waiting for you. Explore Tahaa with optional excursions to discover the vanilla plantations and sacred sites of the island.

**DAYS 12/13 • BORA BORA,
SOCIETY ISLANDS (OVERNIGHT)**

Our stay here allows plenty of time to capture the beauty in photographs — and you’ll want plenty. These stunning waters will show a different kaleidoscope of blue in each frame. You’ll have lots of options for exploration, whether you prefer the access provided by a 4-by-4, or the thrill of riding in the open air. Stretch out on stunning white-sand beaches, dive and swim in

brightly colored seas, or sail among the tiny islands and lagoons. But the highlight here will be the Windstar Exclusive Destination Discovery Event on a private motu complete with fire dancers. This is the stuff that dreams are made of and available to small ships.

**DAY 14 • MOOREA,
SOCIETY ISLANDS**

Welcome to paradise, where your stunning surroundings soak up superlatives and call for more. In our stay here you’ll have plenty of time to do it all. Be sure to consider the opportunity to hone your photography talents on an optional tour of the island in the company of a professional photographer. Your choices here are endless. Hike the majestic Three Coconut Trail. Visit dolphins in their native habitat. Or spend your time swimming and kayaking from *Star Breeze’s* Watersports Platform as we lay at anchor in these beautiful sapphire seas.

DAY 15 • PAPEETE, SOCIETY ISLANDS

Thanks to its supply of fresh water, Papeete has long been a gathering place — the name means “water basket.” Today it’s the main population center of the Polynesian islands. The bustling city meets the sea on a long, walkable waterfront. Peruse the lively Marche de Papeete, where local vendors sell food and handicrafts, and dine at enticing restaurants serving French and Polynesian cuisine. Popular local dishes include poisson cru (raw fish with coconut milk and lime).

Tuamotu Archipelago

RESTORING THE OCEAN, ONE CORAL AT A TIME

Titouan Bernicot was raised on a pearl farm on a remote coral atoll in the northern Tuamotu Archipelago and moved to Moorea when he was three, so the sea has always been his home. Coral reefs offered sustenance, recreation, his family's livelihood ... everything that was dear to him.

CORAL REEF FACTS:

- Coral reefs are home to 25% of marine life despite covering less than 1% of the oceans
- Without help, scientists estimate that the coral reefs of the world could disappear by 2050
- More than half of all new cancer drug research focuses on marine organisms, many of which are found on coral reefs
- 500 million people worldwide directly rely on the reef for food, income, and coastal protection
- We have already lost more than half of all reefs

At 16, Bernicot discovered his first bleached coral and realized the entire ecosystem was threatened. The shock and heartbreak of that moment drove him to research the causes of coral bleaching, and sparked his passion to save the world's coral.

The NGO he founded in 2017, Coral Gardeners, chooses corals that are more resilient to climate change and raises them in an undersea nursery before transplanting them to damaged parts of the reef through an "adopt a coral" program. They also work to raise awareness. To date, the organization has planted more than 31,000 corals.

In 2021, Bernicot became a National Geographic Explorer and was recognized by the United

Nations at the Young Activists Summit in Geneva. Later, he was also awarded as part of the Explorers Club, class of 2023.

As a Windstar guest, you can now be a part of that story.

WINDSTAR & CORAL GARDENERS: *Planting the Seeds of Change*

Windstar has been sailing to Tahiti for 35 years, and the health of its delicate ecosystem has always been important to us. That's why we support the efforts of Coral Gardeners and encourage our guests to do the same.

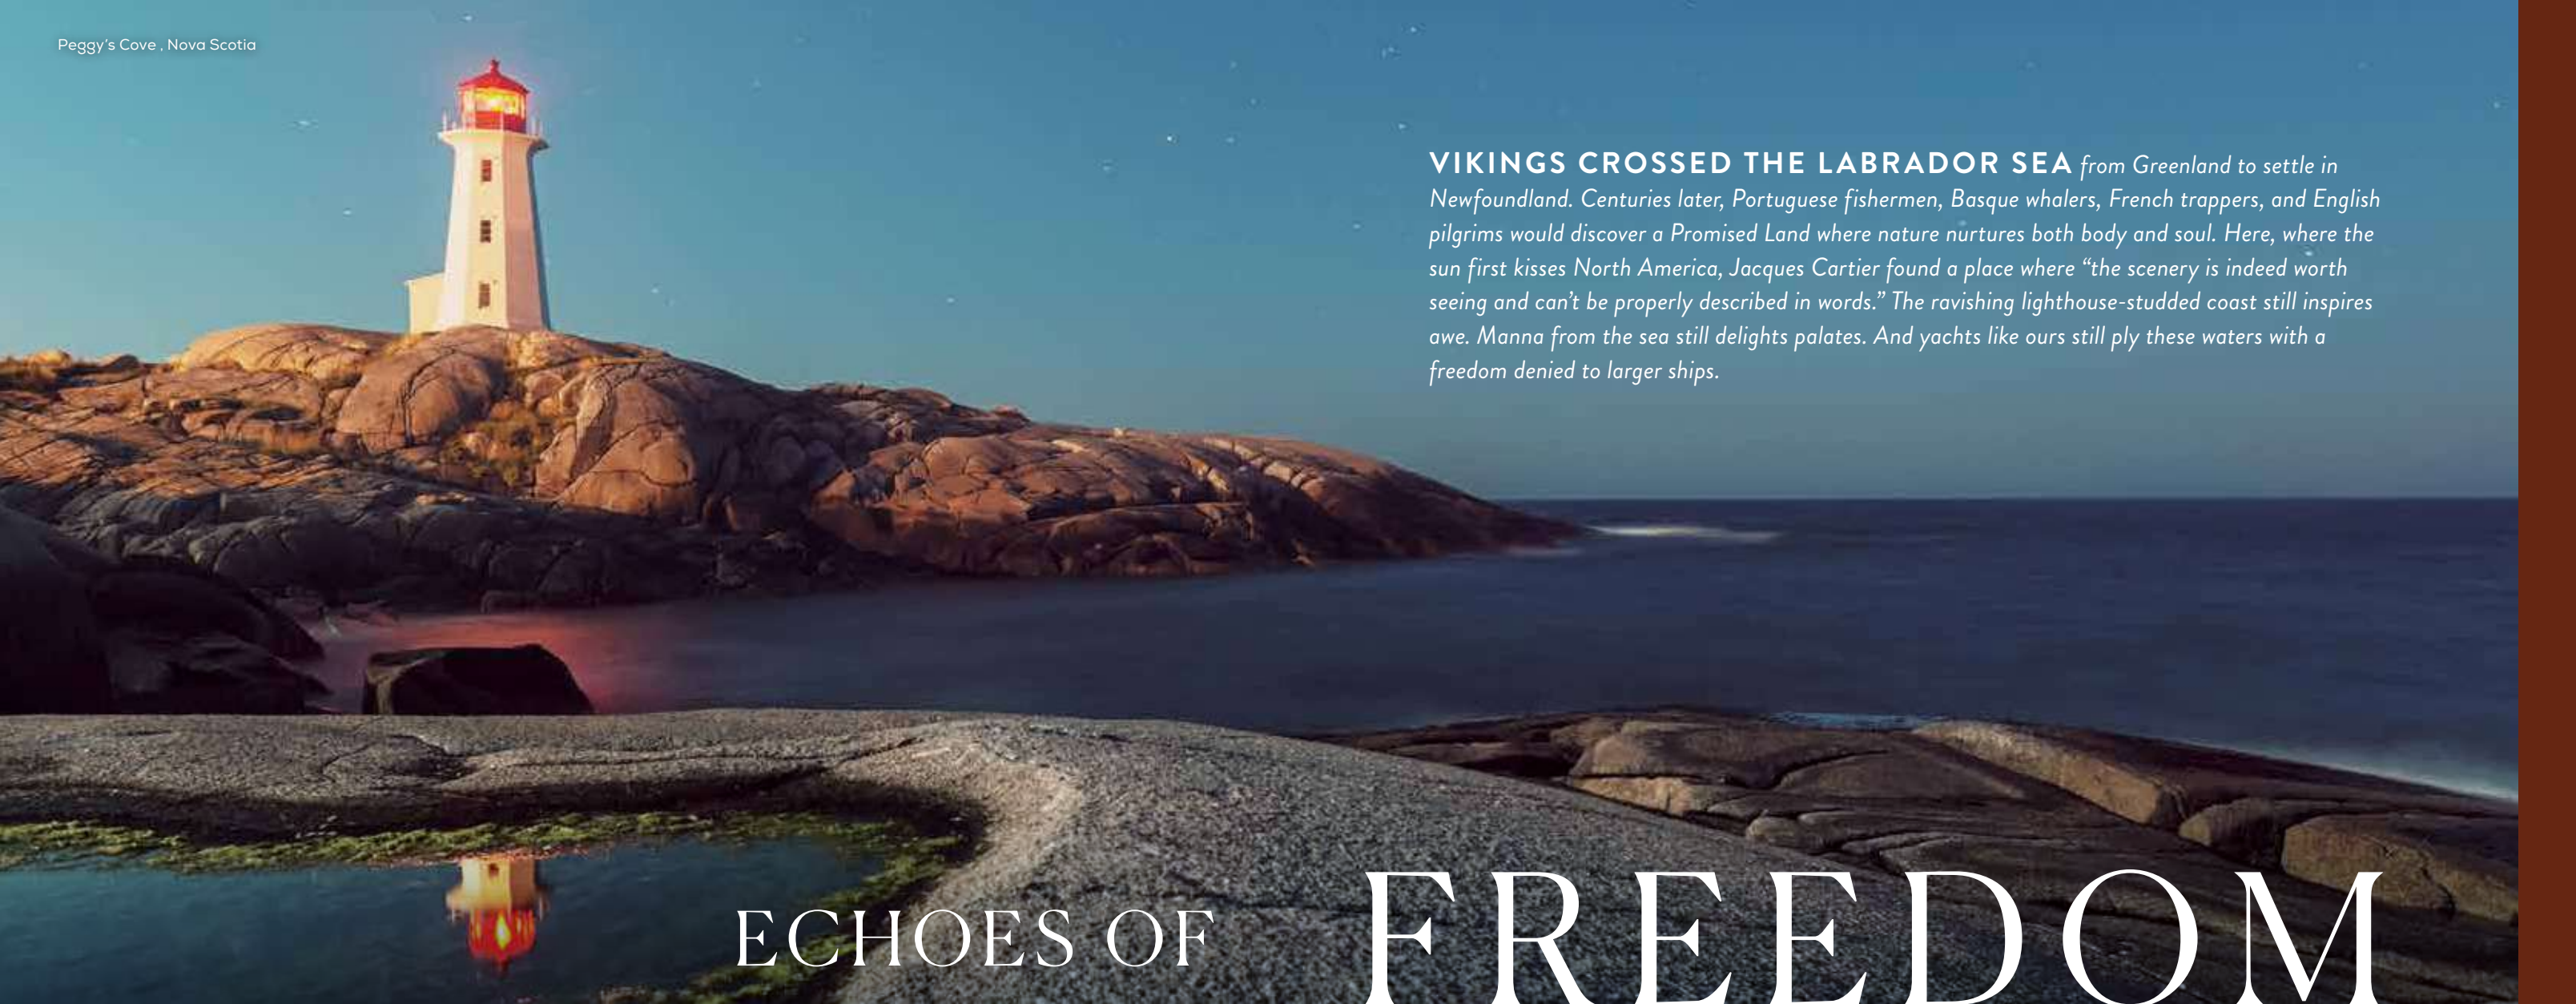

As a Windstar guest,
you can now be a part
of that story.

To that end, all guests sailing on Windstar cruises to French Polynesia will have the option to adopt a coral from Coral Gardeners for a donation of \$35 per person. In exchange,

they'll receive a unique coral adoption card in their room as a memento of their contribution to restoring the beautiful coral reefs they're enjoying on their Tahiti cruise.

For more information, visit coralgardeners.org

VIKINGS CROSSED THE LABRADOR SEA from Greenland to settle in Newfoundland. Centuries later, Portuguese fishermen, Basque whalers, French trappers, and English pilgrims would discover a Promised Land where nature nurtures both body and soul. Here, where the sun first kisses North America, Jacques Cartier found a place where “the scenery is indeed worth seeing and can’t be properly described in words.” The ravishing lighthouse-studded coast still inspires awe. Manna from the sea still delights palates. And yachts like ours still ply these waters with a freedom denied to larger ships.

- Discover Acadian and Scottish cultures in Nova Scotia, French culture in Quebec, and the utterly unique Downeast culture of Maine

The hardy residents attract foodies with artisan cheese and local honey. Fill your time exploring the unique blend of Acadian, French and English cultures.

Halifax, Nova Scotia – What started as a British naval garrison was soon home to fishing boats, pirates, and rum-runners, resulting in a history almost as colorful as the restored clapboard buildings along the Harbourwalk. Catch up on the city's seafaring past – including artifacts from the *Titanic* disaster – at the Museum of the Atlantic. Or climb the hill to the star-shaped Citadel where costumed re-enactors transport you back to colonial days.

Qaqortoq: Boat Tour to Uunartoq Hot Springs – Once in a lifetime experience where you get to enjoy the natural hot springs while surrounded in beautiful nature. Enjoy the scenery of the green Arctic while bathing in perfectly heated water on uninhabited Uunartoq Island. The setting is extraordinary – you can watch small icebergs float by in the ocean just a short distance away in the fjord, and sky-high mountains rise around. ARUBA TO PANAMA CITY, (or reverse) | 6⁺, 7, OR 8⁺ DAYS

It's something of an insider secret, cruising the extreme southern edge of the Caribbean. But those who explore beyond the traditional islands know that this is where you find the epicenter of colonial history, amazing biodiversity, and cultures.

This is the heart of the Spanish Main, where untold wealth boarded galleons and colonial forts thwarted off pirate attacks. It's the narrow isthmus that holds the Panama Canal, an epic engineering feat that irrevocably changed the course of world trade. And it's the home of indigenous tribes like the Kogi, the Ngobe-Buglé, and the Kuna, who have managed to maintain their traditional ways of life despite living at one of the planet's busiest crossroads.

These shores are also some of the most beautiful and biodiverse on earth, home to marine-rich coral reefs, and the greatest bird diversity in the world.

FEATURED PORTS:

Les Saintes, Guadeloupe – We anchor just off Terre-de-Haut in one of the most beautiful bays in the world, while larger ships dock at Guadeloupe's main town of Pointe-a-Pitre and must take a ferry to Les Saintes. It's impossible to get lost in Terre-de-Haut, which has only one street, but there are still plenty of ways to spend your day. Pick up some fresh and fragrant baguettes for a picnic on the beach. Visit with the Saintoise, said to have descended from French and Breton corsairs (pirates).

Road Bay, Anguilla – With its protected shoreline, calm surf, spectacular coral reefs and sugar-soft beaches, Road Bay has become a destination for boaters, with its delightful restaurants, bars, and shops. Anguilla has some of the most beautiful sunsets and delicious rum punch to be found in the Caribbean. It is also home to Cuban tree frogs, red-footed tortoise, green iguanas and five species of bats. Worth checking out is Wallblake House, a heritage plantation house and museum said to be the oldest building on the island and located nearby.

FEATURED SHORE EXCURSIONS:

Roseau: Cooking Caribbean Flavors & Lifestyles – Today is your opportunity to learn about Dominican cuisine, traditions, and lifestyles at a private home nestled in Roseau's tropical rainforest. Your hostess will introduce you to the herbs and fresh ingredients on the day's menu. Then, you can either choose to help prepare a local delicacy, spend your time viewing the mountains or the Caribbean Sea, or stroll the property learning about fruits and spices. End the day by feasting on traditional Caribbean dishes and fruit cocktail blends.

Bonaire: Samur Sail Beach & Snorkel – Imagine yourself on a voyage through time when ships were not only transportation but also works of art. The Samur is an authentic Siamese Junk, hand carved with legends of fantasy and ancient superstitions. You'll glide smoothly under her soaring red sails to the beach on the uninhabited island of Klein Bonaire. Here you can snorkel from the beach or participate in a guided drift snorkel along the outer edge of Ebo's Reef. Rum punch, fruit juice and tropical fruits wait for you on your return to the Samur.

BEACH FUN & SUN: A REMOTE CARIBBEAN GETAWAY

NEW

BAREFOOT BREAK IN THE BRITISH VIRGIN ISLANDS

THE CARIBBEAN'S PERFECT TEN

ST. MAARTEN TO ST. MAARTEN | 7 DAYS

Relax and recharge on this unique, 7-day journey to the solitude of remote beaches and uncrowded islands from Philipsburg to Anguilla, the British Virgin Islands, and St. Barthélemy. Our small yachts are right sized for lesser-known beaches, refuges, and small harbors, so you can bask in the natural beauty.

INSIDER TIPS

- The Baths on Virgin Gorda are a must. Giant granite boulders form a series of plunge pools and hidden

grottoes on the beach — one of the most scenic spots in the Caribbean.

- Beach bars are synonymous with the Caribbean, but none are quite like those on Jost Van Dyke. If you visit the Soggy Dollar Bar you must try a Painkiller — a unique rum drink that also comes in a virgin version.
- St. Barts is known as the best shopping spot in the Caribbean, and one of the top ten shopping areas in the world. Shop for duty-free bargains on French perfume and liquor in Gustavia where you'll also find designer boutiques like Cartier, Giorgio Armani, Louis Vuitton, Hermes, and Bulgari.

- On St. Maarten, the iconic drink is guavaberry liqueur. The fruit grows naturally on the island and is used in sauces and other beverages. Get a taste at the Guavaberry Emporium.
- Soper's Hole was the one-time hangout of Blackbeard the pirate, and nearby Norman Island is said to be the inspiration for Robert Louis Stevenson's novel, *Treasure Island*. It's rumored that treasure may still lie here waiting to be discovered.

DAY 1 • DUBAI, UAE

In Dubai, sports run the gamut from camel races in the desert to an indoor ski mountain. Architecture spans Bedouin tents and Arabian wind towers to the world's tallest building, the Burj Khalifa. Archipelagos miraculously appear in the image of palm trees and planets. It's a lot to take in. By all means, add some extra days here to get your head around this amazing city that seems to be all things to all people.

DAY 2 • SIR BANI YAS, UAE

Sir Bani Yas Island is famous for its ancient archaeological sites, geological features and man-made attractions, dominated by the Arabian Wildlife Park, a savannah-like reserve for over 16,000 animals including roaming giraffes, cheetahs and gazelles. See flocks of flamingos on the white-sand beaches and the ruins of an ancient Christian monastery.

DAYS 3/4 • DOHA, QATAR (OVERNIGHT)

The sparkling city of Doha boasts gleaming skyscrapers and mosques with intricate carvings, extravagant shopping malls and a 4-mile Corniche. Lose yourself in narrow alleyways of the oldest souk in Qatar amidst the raucous noise of bartering. Find the Museum of Islamic Art, resembling a giant sandcastle and appreciate the beauty of the sea and coastline.

DAY 5 • DAMMAM, SAUDI ARABIA

This modern metropolis is known for its airy waterfronts, sandy beaches, and as a popular destination for arts, sports and entertainment. It is also the gateway to Al Ahsa, a UNESCO site that is one of the world's largest natural oases and an intricate cave system.

DAY 6 • MANAMA, BAHRAIN

Manama's lovely skyline is decorated with modern glass and steel spires. It has a thriving nightlife with popular bars and clubs and, although an Islamic country, alcohol is legal here. A visit to the famous Bab el-Bahrain Souk will yield narrow stalls with a wide variety of perfumes, spices and gold.

DAYS 7/8 • ABU DHABI, UAE (OVERNIGHT)

The most northerly of the seven Emirates, Ras Al-Khaimah (RAK City) is known for its slower pace, rich culture and beautiful sandy beaches.

DAY 11 • MUSCAT, OMAN

In a land steeped with history, Muscat, Oman's port capital, is a mix of upscale shopping malls, modern high-rises and 16th century Al Jalali and Mirani, Portuguese forts. Wander the lively fish market and busy Mutrah Souk. Enjoy the soft sand beaches leading to pristine Gulf of Oman water full of fish and turtles.

INSIDER TIPS

- Wear a hat or headwear to protect your scalp from bright desert sunlight. Lightweight, loose-fitting cotton clothing serves you well in the heat, and clothing coverage customs vary across the Gulf States. Few places require traditional head-to-toe concealment, but follow guidelines and dress accordingly, especially when visiting mosques or sacred sites.
- People in Saudi Arabia are friendly, welcoming, and steeped in their culture. Greet them with a "Salam Alaykum," (as-salam-u-alay-koom) which means "peace be upon you."
- UAE contains several world record sites including the world's largest carpet that is 60,601 sq. ft., the world's longest zipline traveling 1.76 miles and up to 93 mph, and the world's tallest building, the Burj Khalifa, standing 2,717 feet tall with 160 stories.
- The people of Oman usually drink kahwa (their traditional coffee with cardamom) with dates and their traditional dessert (halwa). Hospitality is a cherished part of their culture and they may offer you a bag of dates which it is respectful to accept and delicious too.

Traveling to the Middle East can seem daunting, but it is also one of the most fascinating places you will visit. Here are answers to our guests' most frequently asked questions. Following these simple recommendations will assure an enjoyable trip to this exotic and breathtaking region — a time you will never forget.

DO I NEED TO APPLY FOR VISAS IN ADVANCE?

Egypt and Saudi Arabia require advance online applications for tourist visas. For Oman, Qatar, Bahrain, Jordan, and UAE, no advanced visa arrangements are required. Please use our CIBT Entry Guide for the most up-to-date requirements.

WHAT ATTIRE IS APPROPRIATE TO WEAR?

Western clothing is widely accepted. These destinations enjoy hot and sunny conditions and your best practical approach is to wear modest, light clothing — nothing form-fitting — that covers elbows and knees without loud graphics or slogans. Depending on specific customs, men may need to avoid shorts, sleeveless shirts, skinny jeans, and any jewelry beyond a wristwatch and wedding ring. Women should consider flowing or loose-fitting clothes made from fabrics that are non-transparent.

WHAT CAN I ANTICIPATE WHEN I VISIT A MOSQUE?

The best way to visit a mosque is on a guided tour where the tour guide can assist you.

The mosques open to non-Muslim visitors are the major attractions with specific visiting hours. If you are allowed to enter the prayer halls, you must remove your shoes, which you will stow in shoe shelves by the entrance. Women must wear scarves to cover their heads, hair, and necks, and clothes that cover all but hands and feet. Any jewelry or accessories symbolizing faiths beyond Islam should be tucked away. When inside a prayer hall, it is customary to speak quietly and follow the designated walkways.

CAN I DRINK ALCOHOLIC BEVERAGES?

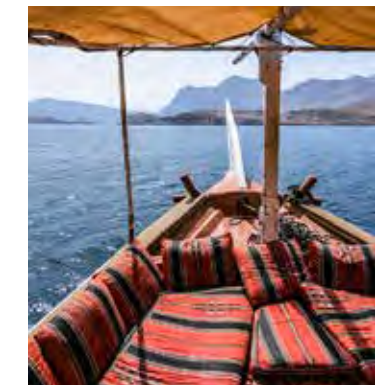

Onboard your Windstar yacht, liquor service will be available as usual. While visiting the ports of your cruise, you may order and consume alcoholic beverages in licensed venues, (generally hotels and some restaurants), except in Saudi Arabia where it is illegal.

WHAT SOCIAL NORMS ARE APPROPRIATE BEHAVIOUR?

Your guides will help you respect local customs, but keep these general guidelines in mind:

- Public displays of affection between sexes are discouraged. This includes holding hands.
- Whenever seated, it's customary to avoid exposing the soles of your feet or shoes to others.
- If you are eating "finger food," especially traditional meals or street food, only eat with your right hand, considered your clean hand.
- Follow common sense courtesies. For example, before taking pictures, ask your guide or your intended photo subject(s) for permission.
- Men often greet by shaking hands and these introductions may last longer than you might be accustomed to at home. Men do not shake hands with women unless the woman offers her hand first.

A DIFFERENT SET OF RULES APPLIES in the Mediterranean. Time is measured in centuries, not minutes. Cities are shaped by sun and volcanoes. And the border between myth and reality fades like footprints on a Riviera beach. Surrounded by wonders like the Cinque Terre and Parthenon, Meteora and the Sistine Chapel, Lake Como and the azure landscapes of Croatia, it's easy to believe there is something magical at work here. Something that kisses grapes and transforms them into divine wine, turns marble ruins to gold in the last light of day, and gifts you with a beautiful white yacht to see it all.

FEATURED PORTS:

Monemvasia, Greece – This medieval castle town, on an island east of the Peloponnese, is impressively carved into a large rocky plateau. Visitors arrive on a short causeway, and walk through a massive Venetian gate (cars are not allowed), or via ferry. Arriving on your Windstar yacht is a rare opportunity (most ships are too large to call here). Wander the narrow cobblestone lanes past restored, red-roofed medieval stone houses and dozens of Byzantine churches, and imagine you are in another time.

Ashdod, Israel – Location, location, location. Ashdod has it in spades, and options are endless. Head to Haifa and the gorgeously manicured Bahá'í Gardens hanging above terraced steps on Mount Carmel. Walk in the footsteps of Jesus in Nazareth and the Sea of Galilee. Explore Masada and the Dead Sea. Go back to Roman days at the ancient city of Caesarea — built nearly 2,000 years ago by King Herod in honor of the Roman Emperor Caesar Augustus. Or head to Tel Aviv with its Bauhaus buildings, Jaffa Old City and lively foodie scene.

Mount of Olives, Jerusalem

Monemvasia, Greece

Blue Grotto, Sicily

FEATURED SHORE EXCURSIONS:

Haifa: Jerusalem, The Old City – Stroll through the Garden of Gethsemane past 900-year-old olive trees. Drive past “modern” landmarks like the Shrine of the Book, home to the Dead Sea Scrolls. Then head to Jaffa Gate for a walking tour of the Old City, following the path of the crucifixion to the Church of the Holy Sepulchre and the last five Stations of the Cross. Step into the 6th century A.D. along the old Roman Cardo (main street) in the Jewish Quarter before an unforgettable visit to the Western Wall.

Giardini Naxos: Taormina & the Blue Grotto by Boat – Taormina is considered one of the most beautiful cities in Sicily, perched at the top of a cliff overlooking the Bay of Naxos and Mount Etna. Board a motorboat and glide into the fabled Blue Grotto sea cave with its other-worldly colors. Refresh yourself before returning to the yacht with fresh almond cookies and a refreshing swim off Isla Bella.

YOUR CRUISE TOUR DAY-TO-DAY SNAPSHOTS

Colored descriptions indicate land tour portion.

DAY 1 • ATHENS, GREECE

Arrive in Athens, one of the world's oldest cities, and settle into your room at the 5-star St. George Lycabettus Hotel. With the afternoon and evening at your leisure, you have time to peruse the shops of Kolonaki, an elegant neighborhood nearby that's known for its museums and trendy boutiques.

(Includes overnight at St. George Lycabettus and transfer from airport.)

DAY 2 • DELPHI, GREECE

We prophecy a busy day at Delphi, a place that once attracted people from all over who came to have their questions answered by the Oracle. The setting itself is

spectacular, aside from the UNESCO World Heritage Site's cultural significance. The ruins hug the hillside, with an incredible view of the mountains, valley, and nearby coast. See the Castalian Spring where worshippers purified themselves before visiting the Oracle, the Sacred Way, the Grand Temple of Apollo, the theater, and the well preserved stadium, its marble starting blocks still in place. And don't miss the magnificent bronze Charioteer at the Delphi Museum. After a delicious traditional Greek lunch, check into the Divani Meteora Hotel in the historical district of Kalambaka.

(Includes overnight at Divani Meteora, breakfast and lunch.)

WHAT'S INCLUDED

- 3 hotel stays — 2 nights at St. George Lycabettus*, 1 night at Divani Meteora*
- Transfers from the airport, to and from all sites, and to the yacht
- 5 meals, 3 breakfasts at hotel, 2 lunches at Delphi and Meteora
- Archaeological expert and English-speaking guide

- Dinner and concert in front of the ancient ruins
- 7-day cruise aboard *Wind Star*, *Wind Spirit*, or *Star Legend*

**Or similar class hotel*

DAY 3 • METEORA, GREECE

Monks and hermits have found refuge on Meteora's sandstone rock pillars for centuries. The Greek Orthodox monasteries perched on the cliffs were originally accessed only by nets or wooden ladders, making them a perfect refuge from pirates and invaders. Today only about six monasteries remain, collectively listed as a World Heritage Site. Explore two that are now accessible by steps and bridges, shifting your gaze from the incredible monasteries to the amazing rock towers they cling to. After lunch, return to Athens and spend the evening at your leisure.

(Includes overnight at St. George Lycabettus, breakfast, and lunch.)

DAY 4 • ACROPOLIS & PIRAEUS, GREECE

The Acropolis is one of the most famous archaeological sites in the world. Climb the smooth marble steps to the Parthenon, a masterpiece of classical architecture. Admire the Temple of Athena Nike and the Porch of Maidens. Then enter the Acropolis Museum where you'll find works of art including the Parthenon Frieze with its beautiful depiction of the festival of Athena. Turn your attention to a modern beauty as you head to the yacht.

(Includes breakfast and transfer to yacht.)

DAY 5 • MYKONOS, GREECE

Visit Mykonos, a classic Greek isle with hundreds of white-washed churches and cubist houses, thatched windmills catching the breeze, and a harbor bobbing with fishing boats and luxury yachts. Sit in the shadow of a café as native fishermen and jet set Europeans pass by. Or head further afield on an optional tour of Delos, a UNESCO site and mythical birthplace of Apollo.

DAY 6 • KUSADASI, TURKEY

Kusadasi offers many historic sites, but Ephesus steals the show. Once an important trading stop along the Silk Road,

its well-preserved ruins reflect what was once one of the most beautiful and advanced cities of the ancient world. Walk the marble-lined streets past the huge theater where St. Paul once preached, the gladiator's graveyard, the incomparable facade of the Celsus Library.

DAY 7 • PATMOS, GREECE

Inhale the scent of heather and pines on the sacred island where the Book of Revelation was said to have been written. This UNESCO World Heritage Site draws pilgrims to sites like the Cave of the Apocalypse and the Holy Monastery of the Apocalypse, while nature lovers flock to the beaches.

DAY 8 • SANTORINI, GREECE

Cruise into Santorini, a vision in whitewash, volcanic black, and a blue so distinctive it's become known as Santorini blue. People of the Cyclades don't simply like the color, they believe it keeps away evil, a job it must do extremely well as it's hard to imagine a more sublime place. Catch iconic photos of traditional Greek windmills, and don't miss the romantic village of Oia with its cave houses.

DAY 9 • MONEMVASIA, GREECE

Monemvasia is a place where only the determined go, or those with private ships.

(Don't be surprised if yours is the only one in the harbor.) The Gibraltar-like fortress is linked to the rest of the Peloponnese by a thin tendril of causeway that was once a drawbridge, restricting access to whoever currently occupied the rock. Climb to the upper town and explore the citadel and Agia Sofia church. With no cars allowed, you can hear the cicadas singing and the sea breaking gently on the shore. Return to the lower town and sink into a welcome chair at a trattoria for a congratulatory sip of Malmsey, the sweet wine that originated here.

DAY 10 • NAFPLIO, GREECE

This charming seaside town is one of the most romantic cities in Greece. Enjoy the medieval old town with its narrow cobblestone alleys and neoclassical mansions. Take an optional tour to the UNESCO site of Epidaurus or the UNESCO site of Mycenaean. Or stroll the Syntagma Square and take in the beauty of the Palamidi Castle with its 999 steps carved from the rocks.

DAY 11 • PIRAEUS (ATHENS), GREECE

Return to Athens, a city with 3,000 years of history where you can't turn around without encountering the past.

DEPARTURE DATES: *Wind Star:* May 1, 8, 15, 22, 29; Jun 5, 12, 19, 26; Jul 3, 10, 17, 24, 31; Aug 7, 14, 21, 28; Sep 4, 11, 18, 25; Oct 2, 2024; May 1, 8, 15, 22, 29; Jun 5, 12, 19, 26; Jul 3, 10, 17, 24, 31; Aug 7, 14, 21, 28; Sep 4, 11, 18, 25; Oct 2, 9, 2025

Awake to an early breakfast and venture into Petra as dawn sunlight illuminates the pink sandstone walls. Imagine yourself in the sandals of a desert trader thousands of years ago, leading your caravan through the narrow shade of the Siq entrance and seeing the columned, 130-foot-high Al-Khazneh

Then it's time to board your flight bound from Eilat, Jordan to Tel Aviv, Israel and transfer to Haifa where your yacht awaits.

(Includes breakfast, transfer to the airport, flight to Tel Aviv, and transfer to yacht.)

DAYS 4/5 • HAIFA, ISRAEL (OVERNIGHT)

With an overnight, you have plenty of time to explore the Baha'i Gardens and shrine, a significant holy place for the Baha'i faith, a UNESCO World Heritage Site and home to the largest hanging gardens in the world. Popular shore excursions visit places

associated with Jesus, such as the Sea of Galilee and Nazareth, the River Jordan, and the Mount of Beatitudes. You may also visit the Golan Heights. Or head to the fascinating city of Acre (also known as Akko), where the more than 4,000 years of recorded history includes occupation by the 12th century crusading Knights of St. John.

DAY 6 • ASHDOD (JERUSALEM), ISRAEL

Ashdod is home to Israel's largest port. It is convenient to Tel Aviv and close enough to Jerusalem for day trips. Enter the 5,000-year-old walled Old City and explore the Western Wall (Wailing Wall), Dome of the Rock, and Church of the Holy Sepulchre.

DAY 7 • LIMASSOL, CYPRUS

Above the old harbor is the Limassol Castle, built in the 13th century on the site of an earlier Byzantine castle — where Richard the Lionheart reportedly stopped during his Third Crusade. The city's Archaeological Museum has artifacts from the Neolithic and Roman periods.

DAYS 8/9 • RHODES, GREECE (OVERNIGHT)

On an island that enjoys 300 days of sunshine each year, head to the beach or immerse yourself in history. In the large, walled, medieval Old City, a UNESCO World Heritage Site, wander the same 14th century streets as the knights and visit the Palace of the Grand Masters.

DAY 10 • HERAKLION, CRETE, GREECE

History buffs will want to make a beeline to the ancient Minoan palace of Knossos, first settled around 7000 B.C. and where the queen had running water in her palace bathroom more than 3,500 years ago. Stick around the bustling city of Heraklion to admire the amazing fortress walls and bastions, fountains and other reminders the Venetians were once in power here.

DAY 11 • MYKONOS, GREECE

Whitewashed homes with brightly colored doors and window frames, fishing boats in the harbor, and the frequent presence of pelicans. Ancient ruins are accessible on the nearby island of Delos, mythical birthplace of the twin gods Apollo and Artemis. Or, you may stick to the main town of Hora to explore chic boutiques on quaint streets, view thatched-roofed windmills (some from the 16th century), admire blue-domed churches, and visit art galleries.

DAY 12 • PIRAEUS (ATHENS), GREECE

Welcome to Europe's oldest capital and home of the Acropolis, an ancient citadel that is one of the world's most recognizable sights. Don't just stare up; walk or ride up to one of the great treasures of the ancient world.

ROME TO MILAN, (or reverse) | 10* OR 11 DAYS

Combine a picturesque overland exploration of Lake Como and Venice with an extensive cruise along the scenic Adriatic and Mediterranean coasts on this inspired odyssey. Tantalize your palate with rustic Croatian cuisine and fine Italian wines. See timeless works of art from the Rialto Bridge to the Sistine Chapel. Rest your eyes on red-roofed medieval Old Towns and the watercolor beauty of Krka National Park, all turquoise, teal, and emerald. And walk in places where history echoes with every step — the famous medieval City Walls of Dubrovnik, the silent streets of Pompeii, Split’s popular Riva promenade, in existence since Diocletian’s Palace was built some 1,700 years ago. Stand at the rail on your elegant yacht and take in the beauty of Kotor Bay and the Bay of Naples. Let Lake Como wow you with its jewel-like beauty and aristocratic elegance. Spend the night in Venice and ride a gondola through the moonlight. Magical moments, every one. And each detail is perfectly coordinated for you by Windstar.

DAY 1 • CIVITAVECCHIA (ROME), ITALY

Devour (or at least taste) 2,000 years of history: Stones brought to life by Michelangelo, the clash of ghostly gladiators in the Colosseum, the treasures of the Vatican. *Molto bello!*

DAY 2 • SORRENTO, ITALY

Heard of the Grand Tour? Sorrento was one of the stops designed to enlighten young European princes. Spend your time here surrounded by beautiful things — gardens, ancient villas, views across the Bay of Naples to Mount Vesuvius. Or visit the past in Pompeii or Herculaneum.

DAY 3 • GIARDINI NAXOS, ITALY

The charming village of Giardini Naxos is nestled in one of the world’s most beautiful bays. In its day it overshadowed rival Taormina — a neighboring town that’s much larger than it now. Take an optional excursion to see Taormina’s iconic Greek Theater, or the UNESCO site of Mount Etna, Europe’s most active volcano.

DAY 4 • AT SEA

DAY 5 • KOTOR, MONTENEGRO

The approach to Kotor offers one breathtaking fjord-like view after another. Just when you’ve reached your fill of blues and greens, the bright red rooftops of the

medieval Old Town — a UNESCO World Heritage Site — come into view. The timeworn, cobbled streets remain car free, leading to 12th century Baroque palaces, Romanesque churches, gorgeous gardens, and aristocratic mansions from days gone by.

DAY 6 • DUBROVNIK, CROATIA

While larger ships pass by, we anchor right beyond the famous city. The entire Old Town is a UNESCO World Heritage Site, and you can enjoy it all. Here, a copper-roofed cathedral. There, a fountain of masked faces spouting water. Discover a 14th century pharmacy tucked away in the

Franciscan Monastery, still operating after 700 years with dusty medieval remedies still lining the shelves.

DAY 7 • SPLIT, CROATIA

When Roman Emperor Diocletian decided to retire, he chose a spot that offered the best of both worlds — a beautifully scenic resort setting, and proximity to the urban pleasures of ancient Salona. The setting is still spectacular, and his palace, now a UNESCO site, is the fabric upon which the city grew. Beyond, you can go people-watching along Split’s popular Riva promenade, wander the pedestrian boulevard of Marmontova Street, or rub the toe of the statue of Gregory of Nin for good luck. Further afield, there’s dramatic Krka National Park with its spellbinding landscapes of gorges, lakes, and waterfalls.

DAY 8 • ROVINJ, CROATIA

Rovinj used to be a tiny island until the channel was filled in during the 18th century, so while the red terracotta roofs now spill inland, the Old Town is tidily self-contained. Hints of Italy are everywhere — in the signs, in the language, in the cuisine — thanks to having spent more than 500 years under Venetian rule. Seek out nearby Pula, a UNESCO World Heritage Site known for its ancient Roman buildings. Or the resort town of Porec with its 6th century Euphrasian Basilica, yet another UNESCO World Heritage Site.

DAY 9 • VENICE, ITALY

No other sea approach in the Adriatic raises goose bumps like Venice, where the entire city and its lagoon are a UNESCO World Heritage Site. Say farewell to your yacht and follow your private tour guide to Palace Bonvecchiati, a 4-star hotel just a stone’s throw from St. Mark’s Square. The hotel has been welcoming guests since 1790, and offers an upscale boutique hotel experience with contemporary comforts. Spend the afternoon at your leisure before a guided walking tour of St. Mark’s Square and the Rialto area, the perfect place to enjoy an Aperitivo.

(Includes overnight at the Palace Bonvecchiati.)

DAY 10 • VENICE TO LAKE COMO, ITALY

Wake in the City of Love and greet the day with breakfast at the hotel before joining your guide for the drive to Verona — home of Romeo and Juliet, and part of Italy’s Veneto wine region, known for its quality wines. Spend some time at Cantina Mosconi Berta with its ancient 16th century cellars and splendid vineyard, and sample wines like the Amarone the winery was instrumental in creating. Then it’s off to the town of Cernobbio on Lake Como where you’ll find the 5-star hotel where you’ll spend the night.

(Includes overnight at the Lake Como hotel and breakfast.)

DAY 11 • LAKE COMO, ITALY

After breakfast at the hotel, meet your guide for a private boat tour of Lake Como, a lake that’s been a popular retreat for aristocrats since Roman times. In Tremezzo, explore the beautiful gardens of Villa Carlotta. The Villa’s art collection and botanical gardens were an important stop on the European Grand Tour in the 17th and 18th centuries. Cross the lake to the village of Bellagio, considered the jewel of the lake. Located where the lake splits into two branches, the town climbs the hills in a series of alleyways and staircases lined with historic palaces and colorful shops. If the setting looks familiar, parts of the 2006 James Bond film *Casino Royale* were shot here, among other movies. Explore the town and dine at a restaurant overlooking the lake before returning by boat to your hotel. Spend the evening as you wish.

(Includes overnight at the Lake Como hotel, breakfast, and lunch.)

DAY 12 • MILAN, ITALY

Enjoy breakfast at the hotel on your last morning at Lake Como then transfer to the Malpensa Airport in Milan in time for your flight home.

(Includes breakfast and airport transfer.)

Perched high on a hill, the palace's 19th century Romanticism was the inspiration of King Ferdinand II, the Artist King. Afterwards, it's off to Cascais, once the retreat of the Portuguese nobility, where you can explore the narrow maze of century-old streets. Drive back to Lisbon, stopping for some famous *pasteis de nata* (Portuguese egg custard tarts) on the way to the yacht.

Check out the ruins of the medieval Castille de la Concepcion, and meet a family that specializes in breeding Spanish horses.

DAY 12 • PALMA DE MALLORCA, SPAIN

Mallorca is steep, green, and fringed with enticing coves and more than 200 lush beaches. But all that natural beauty is just the beginning. Chopin and George Sand wintered nearby at the monastery in Valldemossa in 1838-9. Stroll along the tree-shaded Paseo de Born in search of *tapas*, watch the street performers on the piazza around the church, or cross the island to beautiful Soller.

CANARY ISLAND IDYLL

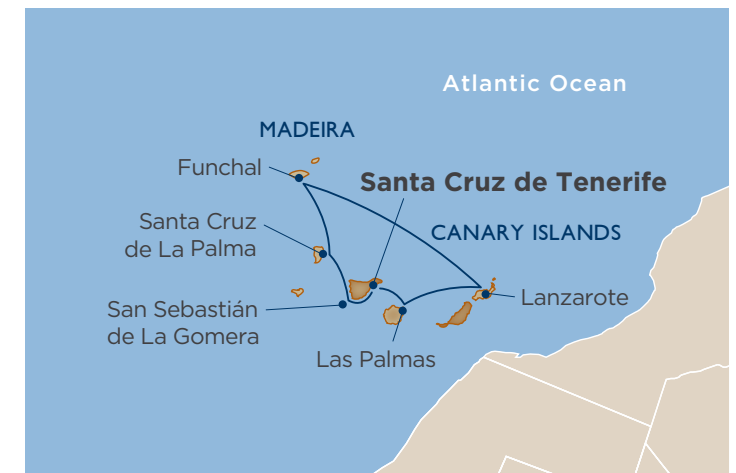

SANTA CRUZ DE TENERIFE TO SANTA CRUZ DE TENERIFE | 10 DAYS

Columbus slept here, Winston Churchill painted here, and Agatha Christie wrote here, but you don't have to be famous to fall in love with this place. This volcanic archipelago off the coast of Africa can and does charm just about everyone who visits, although it's not the same charm for all. Some ooh and ahh at the diversity and drama of the landscapes, a tapestry of smooth and rough, black and green, blue and gold. Others are wooed by quaint colonial towns built a century before Columbus sailed, their cobbled streets lined by dry-stone homes with hand-carved wooden balconies. Then there's the culture, or cultures, derived from European and African roots but infused with elements of all the Atlantic sailors who paused here for provisions. Sip a glass of sweet and citrusy *poncha*. Ride wicker toboggans, camels and classic cars. Breathe in air scented with orange, oleander, and eucalyptus. And gaze at stars so numerous and bright they seem to put galaxies within reach.

VOYAGE HIGHLIGHTS

- See both of the beautiful UNESCO beaches in Santa Cruz de Tenerife
- Overnight in Funchal with time to sample the delicious Madeira wines and taste the famous *poncha*, a delightful local drink of rum and honey
- Get to the heart of Santa Cruz de La Palma when you find Plaza de Espana
- From San Sebastian de La Gomera, find the UNESCO site of Garajonay National Park
- Wiggle your toes in the black sand beaches of Las Palmas, then join the local nightlife when you overnight there
- Savor delicious tastings along the Wine Route of Lanzarote

Martian landscapes on Lanzarote. Lush green Las Palmas. Cloud forest, cliffs and canyons on San Sebastian de La Gomera. Tenerife with its spectacular beaches and soaring Mount Teide. LISBON TO SANTA CRUZ DE TENERIFE | 8 DAYS

Volcanoes have left their mark everywhere here — on snow-capped Mount Teide, on black sand beaches, in rich soils and natural sea pools — yet each island is unique. Palms, pines, vineyards, and banana plantations each offer their own shade of green. On some islands you'll see terraced farms clinging to valley walls. On others, trails trace the cliffs and reward hikers with breathtaking ocean views. And there's always something new to do. Explore historic colonial towns, national parks, and nature reserves. Discover cuisines that reflect both mainland traditions and the islands' distinctive culture and abundance. Shop for colorful pottery and jewelry made from lava. Listen to Canarian minstrels coax beautiful folk tunes from the tiny guitar known as a timple. ICONS OF THE ANCIENT WORLD: GREECE & ISRAEL

ATHENS TO HAIFA, (or reverse) | 8 DAYS

Sailing the eastern Mediterranean is a voyage of contrasts rich in ornate temples, opulent palace ruins, and sacred legends celebrating ancient deities.

To the south, enshrined in formidable Ottoman walls, stands Jerusalem, Western Civilization's contemporary crossroads of faith, where Muezzin calls to prayer reverberate off foot-polished limestone streets, intermingle with church bells, and dissipate into the din of rumbling buses, bustling pedestrians, and rasping scooter engines.

Further south in Jordan's Dead Sea basin are Petra's etched ruins and religious relics, which serve as stark reminders that theological beliefs and even the richest human habitations are transitory, a permanence limited to the integrity of stone against wind, water, and time. It's a collective sense of awe and wonder likely shared by former Nebataean inhabitants thousands of years ago.

PORTS OF CALL: Piraeus (Athens); Mykonos; Heraklion; Rhodes; Limassol; Ashdod (Jerusalem); Haifa

INSIDER TIPS

- Windbreakers and hoodies are precautionary summer essentials in Mykonos, but sunscreen is added insurance when playful offshore breezes tug at sunhats.
- The most delicious way to spend time in Heraklion is sampling local sweet cheese pastries and bougatsa cream pies served at cafés and restaurants around Lion Square.
- The cheapest authentic Rhodes entertainment is watching local fisherman land fish at sunset along the Old Town harbor.
- Wineries thrive on Cyprus. Seek out prized regional white Xynisteri and red Mavro wines because they rarely land on store shelves off the island.
- Dress for access. Men's shorts are forbidden at Jerusalem's holiest destinations, so consider convertible travel pants featuring zip-off legs for versatility and light packing. Women's clothing guidelines are more specific, encouraging skirts with hems at least beneath the knees and blouses that cover shoulders and upper arms.

POMPEII — DAILY LIFE FROZEN IN TIME

Once a popular resort destination for Rome's upper class, a tour through present day Pompeii is an eerie yet fascinating journey through the last days of life in the city and for the 2,000 citizens who perished under the wrath unleashed by Mount Vesuvius in 79 A.D. The perfectly preserved city is a time capsule showing us life in ancient times.

On the day of the cataclysmic eruption in 79 A.D., the first

eruption shot ash and rocks into the air. Most Pompeians fled. The approximately 2,000 souls who stayed behind perished. Many sought shelter from the ash and died as buildings collapsed. A pyroclastic surge proved deadly for anyone left. Hot gas, ash and rock shot down the sides of the mountain into town at 100 miles per hour. An estimated 13,000 to 16,000 people in the region died.

After the eruption, the city was buried under 13 to 19 feet of ash,

abandoned and forgotten until discovered by explorers in 1748. As they dug, they found the city perfectly preserved by ash as it was on the day of the eruption. Some buildings were found intact and skeletons lay where they fell at the time of the eruption. An Italian archaeologist realized that the voids he found while excavating in layers of ash were spaces left by decomposed human bodies and started using plaster to cast these bodies frozen

in time. It's a strange feeling to see these long-gone people cast in time at their death. More than a thousand casts have been made.

SOUKS & SHERRIES: IBERIA & MOROCCO

LISBON TO BARCELONA, (or reverse) | 10 DAYS

Only the narrow Strait of Gibraltar separates Iberia from Morocco, and for nearly 800 years the Moors ruled the land to either side. They left behind sophisticated irrigation systems, *pueblos blancos* — whitewashed hillside villages — and palaces adorned with horseshoe arches, graceful domes, and vibrant *zellige* tiles. Influence flowed the other way as well, exporting Spanish traditions like the evening paseo, Mediterranean cuisine, and Andalusian music.

Watch elaborate tilework morph from the green geometric designs of the Moors to Lisbon's blue-and-white slices of life. Wander the arched passageways of Moorish fortresses in Andalusia, and Art Deco-inspired buildings in Morocco. Compare the saffron-infused flavor of Spanish paella with its spicier Moroccan cousin. Sip sherry in Jerez and mint tea in the souks of Tangier. Discover where the two cultures meet, where they mingle, where they dance, and where they each go their own way.

VOYAGE HIGHLIGHTS

- From Cartagena explore the ancient city of Murcia
- The long day stop in Casablanca allows for time in Marrakech to see the medina, mosque and souks
- Sip the sweet flavors of handcrafted Spanish sherries in Cádiz where an overnight affords more time to experience the natural beauty there at Sierra de Grazalema and Los Alcornocales National Parks

"Arriving after hours, with no tourists. We were left to explore the ancient Marble Road. Soon a beautiful voice echoed from the amphitheater – a fellow passenger testing the amazing acoustics. It was the perfect prelude to a fabulous dinner and concert in front of the Celsus Library, a setting which cannot be duplicated."

PORTOFINO

Portofino is one of the most beautiful little ports you’ll encounter anywhere. In the quintessential Italian Riviera town, a late-night stay at the Italian port assures time to dine at one of the chic cafés on the waterfront. Or head up to the patio of the elegant hillside Hotel Splendido (where

Windstar offers an exclusive lunch and olive oil demonstration), for dining with a view of the colorful town. It’s a romantic spot that attracted such couples as Lauren Bacall and Humphrey Bogart, and Elizabeth Taylor and Richard Burton. A real draw in Portofino is just kicking back and hanging out in an amazingly scenic harbor.

For those who want to stretch their legs first, nearby hiking opportunities bring views of fortifications, churches, elegant villas, and olive trees along the Ligurian coast. Organized tours afford opportunity to explore the famed Cinque Terre, a rugged coastline where small coastal villages and castles cling to cliffs.

Five towns and the surrounding hillside of Cinque Terre National Park are a UNESCO World Heritage Site.

Go inland and combine the best of the land and sea with the *Vatican & Italian Riviera Cruise Tour* (see page 152).

WORDS LIKE MOOR, LOCH, AND GEYSER were born in this land, because no existing vocabulary could adequately describe these extraordinary landscapes. These regions could just as easily have coined a term for Fabergé palaces of amber and gold, rainbows captured in a waterfall’s spray, and storybook cities crisscrossed by canals and flower markets, all of which are here in abundance. But as your elegant yacht traces its way through enchanting fjords and forgotten archipelagos, you won’t need words. You are speechless.

FEATURED PORTS:

Heimaey Island, Iceland – Off the south coast of Iceland there's an archipelago called the Westman Islands, and the largest of these is Heimaey. The area is famous for its bird life, including the world's largest puffin breeding colony, but it's also known for its geology. In 1973, a volcano on the island erupted and hot lava threatened its only harbor. Before evacuating, the locals sprayed seawater on the advancing lava, stopping its advance and saving the harbor. Now reoccupied, the island offers a rare glimpse of the old town — a modern-day Pompeii.

St.-Malo, France – This ancient walled city was once an important port in the New World voyages of discovery, but today it's better known for the island of Mont St. Michel with its sandcastle-like abbey perched at the top. The sight of Mont St. Michel as you approach is awe-inspiring, a triumphant reward for those who made the pilgrimage here over the past thousand years. This part of France is also known for its shellfish, and you won't want to leave without trying the famous oysters of nearby Cancale with their creamy texture and unique balance of saltiness and sweetness.

St.-Malo, France

Atlantic Puffin

Dunluce Castle, Northern Ireland

FEATURED SHORE EXCURSIONS:

Bergen: Beyond Ordinary Collection: Helicopter to Baroniet Manor with Horse Carriage – Take in a bird's-eye view of the Folgefonna Glacier from your helicopter on your way to Rosendal. Step back in time as you are whisked to the Baroniet Manor. A guided tour of the garden and Manor takes you through the influence of various owners over 250 years. Enjoy a private, candlelight, 3-course dinner before your horse-drawn carriage returns to your waiting helicopter.

Honfleur: Concierge Collection: Norman Cooking with Chef Brigitte – Meet Chef Brigitte Dumant for your cooking lesson in her "Long House in the Marshes" ("La Longère des Marais") isolated in the country. Get to know your host and enjoy la vie à la Française for half a day! Once ready, you will prepare three typical Norman dishes (starter, main course and dessert), before tasting and enjoying your meal in her charming garden.

COMPREHENSIVE ICELAND CRUISE TOUR

REYKJAVIK TO REYKJAVIK | 10 DAYS

Make the most of your travel time to the far north as you embark on an extensive exploration of Iceland's inland and coastal wonders. Venture to untouched regions where natural beauty reigns supreme, peppered with steamy hot springs, iridescent ice caves, spectacular waterfalls, and brooding volcanoes. Bask in the steamy comfort of cerulean hot springs encircled by black lava fields. Wander Reykjavik's cultural museums and make your way along inviting side streets where former fishing homes offer basement bars, artisan boutiques, and local coffee houses. Spend an evening in colorful and quirky Seydisfjordur, a summer haven for artists and a jumping-off point for naturalists and scientists studying seabirds and other wildlife. From Icelandic culture to surreal landscapes, this is a journey that rewards you at every turn.

YOUR CRUISE TOUR DAY-TO-DAY SNAPSHOTS

Colored descriptions indicate land tour portion.

DAY 1 • REYKJAVIK, ICELAND

The world's most northerly capital enjoys almost 24-hour sunlight in summer, all the better to show off the city's eclectic architecture and dazzling natural wonders. Your English-speaking guide and driver meet you at the airport and take you to The Grand Hotel near the city center. If you like, walk to the nearby Saga Museum to brush up on Icelandic history, or catch a peek of historic Hofdi House, site of the 1986 summit between Ronald Reagan and Mikhail Gorbachev that effectively ended the Cold War. Get a good night's sleep, because tomorrow will be a busy one.

(Includes overnight at The Grand Hotel or similar class hotel, and airport transfer.)

DAY 2 • BORGARFJORDUR & HUSAFELL, ICELAND

After breakfast, head to Borgarfjordur from Reykjavik. This region was the setting for most of the Icelandic sagas and you'll learn some folk tales as you view the short, fierce rapids of Barnafoss Waterfall and the series of rivulets that form Hraunfossar Waterfall. After lunch, step into the dazzling, blue-hued Langjokull Ice Tunnels and marvel at the natural beauty of one of the most striking glacier caves in Iceland. Enjoy a 3-course dinner at your hotel before retiring.

(Includes overnight at the Hotel Hagar or similar class hotel, breakfast, lunch, and dinner.)

WHAT'S INCLUDED

- Guided trek through the glowing blue ice caverns beneath Langjokull Glacier, the second largest glacier in Iceland
- Spa time in the steamy comfort of the geothermal Blue Lagoon
- Tour of the Secret Lagoon natural hot springs, where rising steam gives the area a magical feel
- Hotel stays at the luxurious art deco Grand Hotel* in Reykjavik and the rustic-modern Hotel Hagar*
- Guided tour of Pingvellir National Park, a UNESCO World Heritage Site and the most important historical site in Iceland — site of the world's oldest democratic parliament founded in 930
- Guided tours of Gullfoss Waterfall, Barnafoss Falls, and Hraunfossar Falls
- 7-day cruise aboard newly transformed all-suite *Star Pride*

**Or similar class hotel*

DAY 3 • PINGVELLIR NATIONAL PARK, STOKKSEYRI

Explore remarkable Pingvellir National Park after breakfast. This UNESCO World Heritage Site is where the world's oldest democratic parliament was founded in 930, and is also where the North American and Eurasian tectonic plates meet. Because of this unique geography, Iceland has magma close to the surface — one of the criteria required to produce geysers. See this in action at nearby Strokkur Geyser

before lunch. Next up is Pingvellir, Gullfoss, Geysir falls — together they are known as the Golden Circle. Travel to the small village of Fludir, home to the Secret Lagoon natural hot springs, then to the village of Stokkseyri for a dinner of local dishes before heading back to Reykjavik and The Grand Hotel.

(Includes overnight at The Grand Hotel or similar class hotel, breakfast, lunch, and dinner.)

DAY 4 • REYKJAVIK TO THE YACHT, BLUE LAGOON

Breakfast at the hotel before seeing the sights of Reykjavik. Experience the Iceland of the past at the Open-Air Museum at Arbaer, take in panoramic views of the city from Perlan planetarium's observation deck, and admire the skyline-dominating tower of Hallgrímskirkja church. Wrap up the day with an iconic experience — bathing in the famous Blue Lagoon — before heading to your waiting yacht.

(Includes breakfast and transfer to yacht.)

DAY 5 • HEIMAËY ISLAND, ICELAND

Witness a world still in transition as we explore two lands — one created by a volcanic eruption and one nearly destroyed by one. As we circle Surtsey Island, a UNESCO World Heritage Site, you'll get to see one of the newest islands on the

planet. Surtsey rose from the sea in the 1960s and offers a unique opportunity to study how species colonize a virgin land. Next up, Heimaey Island. Back in 1973, Eldfell Volcano erupted without warning, swallowing much of the main town and turning the rest into a modern-day Pompeii.

DAYS 6/7 • SEYDISFJORDUR, ICELAND (OVERNIGHT)

Wind your way up the 11 mile-long Seydisfjord, a narrow, beautiful waterway surrounded by high mountains. At the head of the fjord is Seydisfjordur, a small, scenic town where cascading waterfalls seem to be everywhere. During our overnight stay you'll have time to enjoy this beautiful part of the country and its unusual claims to fame, including a lake with a mythical "Ness" and Iceland's largest national forest. Bird watchers won't want to miss Skalanes Nature Reserve with its more than 45 bird species. Trekkers can make their way to spectacular Hengifoss Waterfall. Or simply stroll the quaint town of 700 with its colorful Norwegian kit-houses shipped in at the turn of the century.

DAY 8 • AKUREYRI, ICELAND

Akureyri nestles like a gem at the head of Iceland's longest fjord. It's just a stone's throw from the Arctic Circle, yet it offers some of Iceland's warmest weather and a rare ice-free harbor. It's due to this strange

geographic quirk that the town became a famous trading center under the Danes, and also accounts for the town possessing one of the northernmost botanical gardens in the world with a greenhouse that's geothermally heated. Spend your day riding an Icelandic Horse across the Icelandic countryside, or go for a soak in the sky-blue Myvatn Nature Baths.

DAY 9 • ISAFJORDUR, ICELAND

A breathtaking journey up Ísafjarðardjúp Bay precedes our arrival in Isafjordur, surprisingly urbane for a village of 2,600. Old Town's 19th century buildings take you back to the days of the tall ships, while the abandoned town of Hesteyri remains frozen in the 1940s. This is another great port for bird watchers as Vigur Island is teeming with puffins, eiders, guillemots, and Arctic terns.

DAY 10 • GRUNDARFJORDUR, ICELAND

Viking sagas come to life here, as does Jules Verne's tale *Journey to the Centre of the Earth*. You may share the inspiration to set pen to paper, but don't feel bad if words fail you. The views defy description.

DAY 11 • REYKJAVIK, ICELAND

Disembark back in Reykjavik with its surprisingly vibrant local museum and art scene.

AROUND ICELAND

REYKJAVIK TO REYKJAVIK | 7 DAYS

Dramatic scenery and curious communities coalesce on this weeklong circumnavigation of Iceland. Explore a country everyone wants to visit, and go far beyond the tourist hotspots to remote fjords, raging waterfalls, and small fishing villages. Get to know the independent and creative Icelanders and watch whales and seabirds play offshore.

Go inland and combine the best of land and sea with our *Comprehensive Iceland Cruise Tour* (see page 178).

ICELANDIC HORSES

In Akureyri, a major fishing port close to the Arctic Circle, is where you can ride an Icelandic horse — a distinct breed and a top experience for visitors to the country. The 2-hour tour includes one hour on a guided horseback ride along the Eyjafjordur River with a view of surrounding mountains. Viking settlers brought this breed of horse to the island between 860 and 935 CE. They used them for transportation, to plow fields, and to transport wares.

generally 56 inches tall, broad at the withers with muscular legs. It's considered the purest breed of horse in the world.

Horses are still a big part of life in Iceland. Many races are held throughout the country. In the winter, events are held on frozen bodies of water. Regular shows are held which focus on the quality of the breed and farmers in the highlands still use them to round up sheep. But most horses are used for leisure riding like the tour in Akureyri and in competitions.

A horse is the perfect partner for taking you to see the fire and ice of Iceland — remote, off road places you can't access by a motorized vehicle.

TIME HANGS SUSPENDED LIKE THE MOON.

Pleasures linger like fine wine on the palate rather than being rushed along by the turbulence of daily life. You've never had days like this — free of obligation and with no ruler for success other than meeting your pillow with a smile. You've never seen stars like this — pushing back the abyss of space with impossible brightness. Progress is measured in intimate conversations, sunrises and sunsets, visits to the Bridge, a massage in the spa. There are magical ports on the horizon, yes, but your desire for haste has somehow dissolved away in a sea of serenity.

Travel documents will be issued when full payment has been received by Windstar Cruises. Refunds for cancelled or unused services will be made, less any applicable cancellation fees and charges. If you have reserved your cruise with your travel advisor, please be aware that additional cancellation fees charged by the travel advisor may apply.

DEPOSIT AND FINAL PAYMENT REQUIREMENTS: Immediate deposit of 15% of cruise fare, hotel, and non-discountable amounts is required within 3 days of booking to secure a reservation. Final payment is due prior to 90 days before departure date.

Your documents are usually received approximately 60 days prior to departure. Travel documents, however, are only issued after final payment has been received by Windstar and complete personal folio information has been provided to complete your reservation. Send all payments to Windstar Cruises, 8400 N.W. 36th Street, Suite 520, Miami, Florida 33166 U.S.A. Payments can be processed through the Guest Services Department 1-800-258-7245. Checks can be processed through our Corporate office and should include your confirmation number in the memo line of the check. Windstar Cruises, 8400 N.W. 36th Street, Suite 520, Miami, Florida 33166 U.S.A. All charges are in USD. Windstar is not liable for any currency exchange rate or foreign exchange fee imposed by the account holders' bank or credit card company. Payment of the cruise deposit and Travel Protection Plan (if applicable) constitutes acceptance of the Terms & Conditions and Passage Contract.

LATE BOOKING POLICY: On bookings within 45 days of departure, Windstar Cruises requires final payment before we can initiate the process of requesting hotel and/or air space. We are unable to make air or hotel requests on bookings within 14 days of departure or transfer requests on bookings within 7 days of departure. Additionally, Windstar Cruises will advise you of the status of the booking request within five (5) business days of receipt of final payment. If your request is confirmed, electronic tickets will be sent via email. If we are unable to confirm your late booking all monies paid to Windstar will be refunded in full. Changes or additions to the cruise package (e.g. transfers, special services, gifts, or onboard packages) cannot be made within seven (7) days of departure and should be requested once you are on board the yacht.

CANCELLATION POLICY: Each booking cancelled before 120 days prior to travel will be subject to a \$50 per person cancellation fee. A full refund (except for the amounts paid for air, a Cancellation Protection Plan, and the \$50 per person fee) will be made for confirmed cancellations received by Windstar Cruises at least 121 days prior to the date on which you are to commence travel by any mode of transportation booked through Windstar Cruises (sea or land air travel is non-refundable once purchased). Guests who cancel after that date for any reason, including medical or family reasons, are subject to the following cancellation schedule:

120-90 days before commencing travel — 15% of gross fare (deposit)

89-60 days before commencing travel — 35% of gross fare

59-30 days before commencing travel — 50% of gross fare

29-0 days before commencing travel — 100% of gross fare

Windstar can only be responsible for refunding amounts actually received by Windstar Cruises. Travel agencies may impose their own cancellation fees. Agency fees of any nature are a matter to be resolved solely by the agency and guests. Windstar Cruises contracts are non-transferable. Name changes and departure date changes are considered reservation cancellations/re-bookings and are subject to cancellation fees. Changes require the prior approval of Windstar and may not always be possible. Guests who purchased the Travel Protection Plan must submit a claim through Travel Protection Provider/Insurer to receive a refund or credit of cancellation fees as determined by the insurer.

If you or Windstar cancels a tour or shore excursion more than 5 business days prior to your cruise departure date, you will be issued a credit on the credit card you used to pay for your shore excursion reservation. For any cancellations less than 5 days before departure but before the cancellation deadline you will receive an onboard credit where your refund will show up as a credit to your shipboard account. If the credit is not fully utilized during your cruise, the balance will be credited back to your credit card by the yacht's purser.

When you embark on your cruise you will be given a shore excursion booklet and shore excursion booking form. The booking form has a cancellation deadline listed for the shore excursions for each port. If you cancel your tour reservation after the booking deadline stated in the Booking Form, a 100% cancellation fee will apply, since transportation and services will have already been arranged.

REFUND POLICY AND INSTRUCTIONS: If Windstar Cruises delays your cruise for more than 3 calendar days or cancels your cruise, and you choose not to travel on the delayed cruise or do not accept an alternative cruise, you are entitled to a refund of cruise fare and charges for accommodations, services and facilities (including port fees, taxes and other ancillary fees paid to Windstar Cruises) for the delayed or cancelled cruise. If you booked your cruise directly with Windstar Cruises, to claim a refund please submit a copy of the booking confirmation, proof of payment, and a copy of the delay or cancellation notice by email to info@windstarcruises.com within 90 days of the original embarkation date of your delayed or cancelled cruise. You may also contact us at 800-258-7245 (Monday through Friday from 9:00 a.m. to 9:00 p.m. (Eastern Time); 10:00 a.m. to 7:30 p.m. (Eastern Time) on Saturday; Sunday 10am - 6:30pm (Eastern Time)). If you booked through a travel advisor, please contact your advisor for assistance. We will review the refund request and respond by email within 30 days of the date you or your travel advisor submits your claim. If you are entitled to a refund, Windstar Cruises reserves the right to offer you future cruise credits as an alternative to a refund, but you are free to request a cash refund instead.

ADDITIONAL DEFINITIONS: “Yacht” or “Ship” refers to the vessel that will provide the ocean transportation portion of the cruise. “Cruise” refers to the specific cruise purchased by you, and shall include periods during which you are embarking or disembarking the Yacht or are on shore while the Yacht is in port. “Initial Departure” means the time at which you first begin transit by any means of transport booked by us (including air transportation) for the purpose of taking the Cruise. “Windstar Air Package” refers to air transportation booked for you by Windstar Cruises to enable you to travel to and from your Cruise. “Windstar Land Package” includes any shore activity before or after the Cruise or ashore during the Cruise arranged for you by us in connection with your Cruise.

PROHIBITED ITEMS; DRUG & ALCOHOL RESTRICTIONS; BAGGAGE: The following are strictly prohibited on the Ship and during all aspects of the Cruise, Windstar Land Package, and shore excursions: radioactive materials, recreational and medicinal marijuana and other controlled substances under USA law (see United States DEA Drug Schedules at dea.gov/drug-information/drug-scheduling) or any under any foreign jurisdiction the Ship enters (except lawfully obtained and transported prescription drugs other than marijuana), firearms, ammunition, weapons, fireworks, aerial drones, illicit or hazardous materials, hand irons, water heaters, and candles. Passengers are allowed to bring aboard two (2) bottles of wine or champagne (750ml) per cabin for their enjoyment onboard for a 7-day Cruise or three (3) bottles for an 8-day (or longer) Cruise. Passengers may consume these permitted outside beverages in public areas on the Ship, but a small corkage fee (approximately US\$15 + 15% gratuity) will be applied to the passenger's onboard account. All additional outside alcohol (meaning wine, beer, and/or hard alcohol) including alcohol purchased at ports of call along the Cruise route, will be kept by the Ship's purser and delivered to the passenger's cabin the last evening of the Cruise. We will carry as baggage only your personal effects consisting of wearing apparel, toilet articles, and similar items for your wearing, comfort, or convenience during the Cruise and not belonging to or intended for use by any other person or for sale. For loading and unloading the Ship and other means of transportation, all baggage must be tendered for carriage in securely constructed and locked

suitcases or trunks. All baggage must be able to be safely stowed in your cabin on the Ship. The only animals permitted to accompany you are service dogs trained to do work or perform tasks for passengers with disabilities; you are responsible for complying with governmental health, documentation, and other requirements as to recognized service dogs.

We do not accept to carry as baggage or assume any liability for any loss of or damage to or delay of trade goods, household goods or furniture, perishable items, medicine, liquor, cash, credit or debit cards, jewelry, gems, gold, silver, precious metals, art, collectibles or similar valuables, securities, financial instruments, records, or other valuable or business documents, computers, cellular telephones, cameras, hearing aids, electric wheelchairs, scooters, or other video or electronic equipment, binoculars, film, videotape, computer disks, audio disks, tapes, DVDs or CDs, or other articles specified in 46 U.S. Code Section 30503. These items should not be left unattended about the Ship or your cabin, nor should they be left unattended on other vessels, railcars, taxis, or other vehicles or in hotels, nor placed in luggage other than a bag that you carry with you. In addition, we do not assume any liability for any loss of or damage to carry-on baggage on the Ship or on the other means of transportation or in hotels. The Ship and certain hotels may be equipped with cabin or room safes or safe-deposit boxes in the Ship's or hotel's front office; using these facilities will not, however, increase our liability as provided in the Passage Contract.

NON-WINDSTAR CRUISES SERVICES; ITINERARY CHANGES: These include non-Windstar Cruises Services such as airlines and other off-ship transportation carriers, shore excursions (other than the limited number of shore excursions operated by Windstar), and accommodations. Non-Windstar Cruises Services are solely at your risk and subject to the terms or arrangements made by you. Windstar Cruises assumes no responsibility with respect to these non-Windstar Cruises Services including delay, injury, death, or damage to property. Situations may arise that, in the opinion of Windstar Cruises, make it necessary for Windstar Cruises to cancel, advance, or postpone a scheduled departure, change itineraries, or make substitutions involving ports of call, other travel components, vessels, or other modes of transportation. These situations may include, by way of example, concerns regarding weather conditions, issues involving safety matters, alternative business arrangements, or charters resulting in the decision to withdraw a Cruise from public sale, or requirements of governmental authorities. If this should occur, Windstar Cruises does not assume responsibility or liability for any losses, inconvenience, or expenses incurred by guests as a result. Please see the Windstar Cruises Passage Contract for further details.

PUBLIC HEALTH, PRACTICES & PROCEDURES RELATED TO COMMUNICABLE DISEASES, UNDERSTANDING & KNOWING ACCEPTANCE OF RISKS OF TRAVEL:

(a) Communicable Disease Policies and Procedures, including those related to COVID-19. Passenger understands that Windstar Cruises' communicable disease policies and procedures, including those related to COVID-19 may include (but are not limited to): (1) providing an accurate, truthful and complete health questionnaire in a form and containing any and all health or travel-related questions as required by Windstar Cruises in its sole discretion, for each Passenger prior to boarding; (2) pre-embarkation and/or periodic testing for COVID-19 or other communicable diseases ; (3) modified capacity rules for activities, which may limit or eliminate the ability of Passenger to participate in particular activities; (4) mandatory use by each Passenger of face coverings in most locations outside of the Passenger's cabin while onboard, during embarkation, disembarkation and shore excursions; (5) mandatory social distancing of Passengers at any/all times while onboard and during embarkation, disembarkation, and shore excursions; (6) additional restrictions during shore excursions depending on local conditions, including but not limited to denial of disembarkation at destinations unless participating in only Windstar Cruises-approved shore excursions; (7) recommended hand sanitizing by Passenger upon entry or exit of any public areas; (8) isolation and/or quarantine of Passengers to cabins, or emergency disembarkation of Passenger if, in Windstar Cruises' sole discretion, such steps are necessary to prevent or slow the spread of any

GENERAL CRUISE TERMS & CONDITIONS *continued*

communicable disease, including COVID-19; (9) the required completion by Passenger at the time of engagement with onboard medical staff of any written authorizations or consent forms required for Windstar Cruises to carry out its communicable disease policies and procedures (including but not limited to medical information, medical privacy, or personal data privacy consent forms), and; (10) other policies and procedures deemed by Windstar Cruises in its sole discretion to be necessary to reduce the risk of spread of communicable diseases, including COVID-19.

(b) Compliance with Communicable Diseases Policies and Procedures is Required. Notwithstanding any other provision contained herein or in Windstar Cruises' refund policies and procedures, any noncompliance by Passenger or members of Passenger's travelling party with Windstar Cruises' communicable disease policies and procedures or this Contract shall be grounds for refusal to board, refusal to re-board after going ashore, quarantining and/or isolating onboard the Vessel, disembarkation, reporting to governmental or health authorities, or other steps deemed necessary in Windstar Cruises' sole discretion under the circumstances to protect the health and well-being of others. Under these circumstances, Passenger shall not be entitled to a refund or compensation of any kind. Passenger will be responsible for all related costs and fines, including without limitation travel expenses and for proper travel documentation for any port, or for departure from or arrival to Passenger's country of residence. Under no circumstances shall Windstar Cruises have any other liability for any compensation or other damages or expenses whatsoever incurred by any Passenger as a result of such denial of boarding, refusal to re-board, quarantine, disembarkation, or other steps taken by Windstar Cruises.

(c) Passenger Health Screening Pre-Cruise. Passenger agrees that Windstar Cruises may conduct pre-embarkation screening for communicable illness, including COVID-19. Passengers should refer to Windstar Cruises' website for standards and updates on pre-embarkation screening protocols. If Windstar Cruises determines in its sole discretion that Passenger is unfit to board because of any communicable illness, including COVID-19, Windstar Cruises may deny boarding to such Passenger.

(d) Passenger Testing Positive for COVID-19 During Cruise. Passenger understands and agrees that if, after boarding, and even if Passenger has fully complied with all COVID-19 policies and procedures, Passenger tests positive for COVID-19 or exhibits signs or symptoms of COVID-19, Windstar Cruises may disembark, refuse re-boarding, or quarantine and/or isolate Passenger as well as members of Passenger's travelling party, or take other steps which Windstar Cruises determines, in its sole discretion, are necessary under the circumstances to protect the health and well-being of others. Under no circumstances shall Windstar Cruises be liable to any such Passenger for any costs, damages or expenses whatsoever incurred by any Passenger.

FITNESS TO TRAVEL; SPECIAL MEDICAL CARE:

(a) Consultation with Personal Physician. Passengers are encouraged to discuss the advisability of travel with their personal physicians and to review the U.S. Centers for Disease Control and Prevention ("CDC") website for updated information. The CDC has identified elderly persons and persons with certain chronic medical conditions as being at increased risk of life threatening complications from being infected with COVID-19. PASSENGER ACKNOWLEDGES, UNDERSTANDS AND ACCEPTS THAT DURING TRAVEL TO AND FROM THE SHIP, WHILE ABOARD THE SHIP, OR DURING ACTIVITIES ASHORE, PASSENGER OR OTHER PASSENGERS MAY BE EXPOSED TO COMMUNICABLE ILLNESSES, INCLUDING BUT NOT LIMITED TO COVID-19 AND ITS VARIANTS, INFLUENZA, COLDS, NOROVIRUS, AND POTENTIALLY DISEASES NOT YET KNOWN. PASSENGER FURTHER UNDERSTANDS AND ACCEPTS THAT THE RISK OF EXPOSURE TO COMMUNICABLE ILLNESSES AND OTHER DISEASES IS INHERENT IN MOST ACTIVITIES WHERE PEOPLE INTERACT OR SHARE COMMON FACILITIES INCLUDE PERSON TO PERSON CONTACT, IS BEYOND WINDSTAR CRUISES' CONTROL, AND CANNOT BE ELIMINATED UNDER ANY CIRCUMSTANCES. PASSENGER

KNOWINGLY AND VOLUNTARILY ACCEPTS THESE RISKS AS PART OF THIS TICKET CONTRACT, INCLUDING THE RISK OF SERIOUS ILLNESS OR DEATH ARISING FROM SUCH EXPOSURES, AND/OR ALL RELATED DAMAGES, LOSS, COSTS AND EXPENSES OF ANY NATURE WHATSOEVER.

(b) Availability of Medical Care, including Medical Evacuation, and Passenger's Warranty of Fitness to Travel. Passenger acknowledges that due to the nature of travel by sea and the ports visited, the availability of medical care onboard the Ship and in ports of call may be limited or delayed and medical evacuation may not be possible from the Ship while at sea or from every location to which the Ship sails. Passenger further understands that there may be circumstances beyond Windstar Cruises' control, which may prevent or delay a medical evacuation or disembarkation. Passenger warrants that the Passenger, and those for whom the Passenger is responsible, are fit to travel at the time of embarkation.

(c) Medical Care and Personal Services. To the extent Passengers retain the services of medical personnel or independent contractors on or off the Ship, Passengers do so at their sole risk.

(d) Pregnancy. Passenger agrees not to present herself for boarding under any circumstances if, by the time the Passenger commences her travel with Windstar Cruises, she will have entered the 24th week of pregnancy.

(e) Special Needs. Any Passenger with mobility, communication or other impairments, or other special or medical needs that may require medical care or special accommodations during the cruise, including but not limited to the use of any service animal, should be reported to Windstar Cruises by the Passenger when a reservation is requested. Passenger agrees to accept responsibility and reimburse Windstar Cruises for any loss, damage or expense whatsoever related to the presence of any service dog brought on board the Vessel. Passengers with special needs are advised that certain international safety requirements, shipbuilding requirements, and/or applicable regulations may cause difficulty for mobility impaired persons or persons with severely impaired sight and/or hearing. Passengers requiring the use of a wheelchair must provide their own wheelchair (that must be of a size and type that can be accommodated on the Ship), which should be confirmed at the time of the reservation. Passenger acknowledges that standard cabins are not designed to be barrier free and wheelchair accessible.

(f) Limitation of Liability for Denial of Boarding / Repatriation for Passenger Noncompliance with this Contract. Windstar Cruises shall have the right to deny boarding for violations of any of the pre-cruise policies set forth in this Contract. If Windstar Cruises exercises its rights to deny boarding, Passenger shall have no claim against Windstar Cruises whatsoever, and Windstar Cruises shall have no liability for refund, compensation loss or damages of Passenger, including but not limited to any expenses incurred by Passenger for accommodations or repatriation.

FARES, NON-DISCOUNTABLE AMOUNTS, TAXES, FEES, PORT EXPENSES, AND SURCHARGES: Windstar Cruises reserves the right not to honor any published prices that it determines were erroneous due to printing, electronic, or clerical error. Each Cruise fare includes a Non-Discountable Amount. That portion of the fare is both non-commissionable to travel professionals and not subject to reduction in the event of a percentage discount promotion, 2-for-1 promotion, or otherwise. If cost factors dictate the need for fare increases, Windstar Cruises may do so at any time prior to departure. Guests can cancel (without paying a cancellation fee) rather than accept a fare increase. Suggested onboard gratuities are extra.

Taxes, Fees & Port Expenses, as used by us, may include, without limitation, all or a portion of all fees, charges, tolls, and taxes imposed on us by governmental or quasi-governmental authorities, as well as third party fees and charges arising from a vessel's presence in a harbor or port. Taxes, Fees & Port Expenses may include U.S. Customs fees, head taxes, Panama Canal or other canal tolls, passenger facilities charges, dockage fees, wharfage fees, inspection fees, pilotage, air taxes, hotel or VAT taxes incurred as part of a land tour, immigration and naturalization fees, and Internal Revenue Service fees, as well as fees for navigation, berthing, stevedoring, baggage handling/storage, and security

services. Taxes, Fees & Port Expenses may be assessed per passenger, per berth, per ton, or per vessel. Assessments calculated on a per ton or per vessel basis will be spread over the number of passengers on the Ship. Taxes, Fees & Port Expenses are subject to change (but will not change after assessment due to currency fluctuations) and we reserve the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full. Windstar Cruises reserves the right to impose or pass through fuel surcharges, security surcharges, or similar incidental surcharges. No right of cancellation exists under these circumstances.

YACHTS OWNERSHIP AND REGISTRY: All Windstar Cruises Yachts are registered in the Bahamas and owned by Windstar Cruises Marshall Islands, LLC. Yacht ownership and registry are subject to change.

TRANSFERS/PRE- & POST-CRUISE SERVICES: Services for Windstar Cruises cruise-only guests (individuals who do not purchase air transportation or cruise extensions from Windstar Cruises) begin with embarkation at the noted time in your Cruise documents. Any transfers, meals, and dayroom accommodations required prior to this time are the responsibility of the guest. Please make a note of this, as many international flights arrive several hours prior to the scheduled embarkation time. Guests may purchase a transfer from local airport to yacht for day of cruising and from yacht to local airport for day of disembarkation directly through Windstar Cruises Guest Services. Guests flying on dates other than the date of (dis)embarkation must arrange their own transfers unless the reason for the different date is because of the purchase of a cruise extension from Windstar Cruises. Transfers for these guests will be available between airport, hotel, and pier, as appropriate, so long as the transfer dates coincide with the dates of the services purchased from Windstar Cruises.

SHIPBOARD ACCOUNT AND CURRENCY EXCHANGE: Our cashless experience is designed to make your life on board as simple as possible. On embarkation day, you will need to register your credit card (Visa®, Discover®, MasterCard®, or American Express®) in order to use your onboard account for shipboard purchases. We do not accept debit cards or prepaid cards. Your card will be pre-authorized for USD \$420 per person. You may make purchases by simply showing your guest identification card and signing a receipt. At the end of your Cruise, you will receive a final statement, and your card will be charged only for the actual amount of your purchases. Please inform your credit card issuer in advance that your card will be used on a Windstar Yacht. This will help prevent delays in obtaining pre-authorization on board. Products and services on board are in USD. Windstar is not liable for any foreign exchange fees imposed by your card issuer.

WINDSTAR AIR PACKAGE ARRANGEMENTS BY WINDSTAR CRUISES MARSHALL ISLANDS, LLC: If you are purchasing a Windstar Air Package, we will arrange for air transportation to the departure point of your Cruise and return air transportation from the termination point of your Cruise to the home city from which you departed. Due to the special fares and capacity controls we have with airlines, we retain the right to select carriers and determine routings. Some routings may involve travel to or from an airport other than in the city where the Ship embarks or disembarks. In those cases, motor coach transportation to and/or from the Ship will be provided. Flight schedules and/or availability may require overnight hotel accommodations either to join and/or to return from your Cruise. Due to airline schedules (and occasionally, lack of flight availability), travel between many major cities and your Cruise may require one (1) or more hotel overnights en route. If necessary, the cost of this hotel accommodation is not included in the airfare and is your responsibility. Hotels will be selected by Windstar Cruises and might not be at the port. You are responsible for meals and items of a personal nature.

SCHEDULE CHANGES; AIR DELAYS: We reserve the right to alter air flights as required by airline schedule changes. If tickets have already been issued, we will adjust your itinerary or air carrier, accordingly. In that event, we may ask you to return your tickets. Should you choose to alter your airline schedule in any way once your tickets have been issued, airline charges which result will be your responsibility. If our assistance is requested in changing airline arrangements

within sixty (60) days of departure, an additional administrative charge will be levied in addition to any charges imposed by airlines. If your flights are delayed, refer to our Setting Sail booklet for instructions.

SEAT ASSIGNMENTS; SPECIAL SERVICES; FARES; LOST TICKETS; BAGGAGE CHARGES; AIR TAXES AND FEES: We cannot make or confirm seat assignments, special meals, or other special services. Your travel agent may assist with these arrangements. If, however, airline fuel or other surcharges or additional governmental taxes or levies are imposed, we reserve the right to pass these through to you. Please keep your airline tickets in a safe place. Should they be lost, you will be responsible for their replacement. Each airline has its own baggage allowance policy. You are responsible for any excess baggage charges imposed by airlines. Air add-on costs quoted by Windstar Cruises will not include passenger facility charges, federal flight segment taxes for each flight segment (takeoff and landing), the September 11 Security Fee per passenger enplanement, international arrival and departure taxes assessed in foreign countries (the amount of which may be charged in the currency of the foreign country and is subject to change), or new taxes which may be enacted.

LIABILITY AND RELATIONSHIP WITH AIRLINES: We will use commercially reasonable efforts to arrange for your air transportation. If, however, due to any cause beyond our control, we are unable to arrange for air transportation (including, for example, because of capacity controls placed upon us by airlines due to the types of fares under which we book) or the air transportation we arrange is unavailable or otherwise fails to materialize, our sole liability will be limited to refunding the air add-on paid. Our relationship with airlines is that of an independent travel agent. We assume no liability for any acts or omissions of any airline including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking, or computer errors. Accordingly, you will not have any right to claim or recover against us as a consequence of any act or omission of any airline. The liabilities and obligations of an airline to you, and your rights against an airline, are subject to any and all terms and conditions of the airline's ticket and tariffs and any and all governmental laws and regulations bearing upon or otherwise relating to such rights, liabilities, and obligations.

LIABILITY AND RELATIONSHIP WITH WINDSTAR LAND PACKAGE PROVIDERS: If, due to any cause beyond our control, we are unable to arrange for any Windstar Land Package or any desired portion thereof, our sole liability will be limited to refunding the Windstar Land Package add-on paid. Our relationship with providers of Windstar Land Package accommodations or services is that of an independent travel agent. We assume no liability for any acts or omissions of any Windstar Land Package provider or subcontractor including, without limitation, cancellation, damage to or delay or loss of baggage, delays (including any delay in rejoining the Ship or missing the sailing or any flight), equipment failures, accidents, staff shortages, overbooking, or computer errors.

“Our Windstar cruise ruined us for any other cruise line,” raved one reader, summing up the effusive praise that readers had for this boutique operator. Voters consistently mentioned the high-quality food on Windstar’s voyages, and the fact that its smaller vessels can visit ports not normally accessible to larger ships. “This is our favorite cruise line for so many reasons,” said one voter, recalling a trip aboard Wind Surf. “The most important are the small number of passengers and the wonderful service.” Another distinction? Windstar has three sail-powered ships, which are particularly appealing to many of the voters who ranked this line No. 1. “The fact that the ship cruises under sails nearly half of the time is special,” said one reader who also traveled on Wind Surf. “It’s a glorious and romantic way to see unique places.”
